SENATE APPROVES SEIZING PLANTS IF DEFENSE DELAYED

Workers Return at Aluminum Plant in Cleveland; **Curtis Wright Peace Sure**

By the Associated Press

The senate passed legislation today to give President Roose-velt specific statutory authority to take over defense plants where there is an existing or threatened failure of production, and management or labor have failed to utilize existing media-

Administration forces failed to defeat an amendment by Sen-ator Ball (R.-Minn.) which provided in effect that the presi-dent could not exercise seizure powers until mediation attempts vere exhausted.

The legislation also included a proposal to accept the decisions of mediators. It is also that the decisions of mediators are the decisions of mediators. a declaration reaffirming the principle of collective bargain-ing.

Union members said their representatives would meet with the board in Washington Monday to discuss their demands for a 10-cent-an-hour wage increase in scales now starting at 60 cents and averaging, union officials said, 78 cents.

In California's vast aircraft industry "production as usual" was the order of the day as the soldier management of North American Aircraft Corp. at In-glewood reported "100 per cent personnel and 100 per cent efficiency." At San Diego the AFL machinists employed in the big Consolidated Aircraft plant met to consider ratification of an undisclosed new contract. Approval was expected, cancelling a strike threat there.
