### Pilgrim Holiness Annual Meeting Throughout Week

The annual meeting of the district and state of the Pilgrim Holiness church of Oregon at the local church, corner East Jackson and Bessie streets, will continue nightly throughout the week, starting at 7:45 o'clock. The evangelistic services, which are being held in a tent, are open to the public.

The Rev. R. W. Wolfe, general home missionary superintendent with headquarters in Indianapolis, will speak nightly during the assembly. The Rev. R. D. Brown, superintendent of the Oregon district, is in charge of the state meeting. The Rev. J. Maxey Walton, recently from South America, is conducting the evangelistic meeting at the church. Preachers and delegates from the different churches will also attend.

### Wright And Kofoed Insurance Leaders

Ray E. Wright and Ernest E. Kofoed, Medford representatives of the New York Life Insurance company, received congratulations last week on their showing in May in comparison with other Oregon agents. Wright was state leader in volume of paid business and number of paid applications, and also among the first to qualify for the club which entitles attendance at a big meeting in Del Monte, Calif. Kofoed was sixth in volume of business written in May and will also qualify for the Del Monte trip.

**CARD OF THANKS**  
We wish to express our sincere appreciation to friends and neighbors for the kindness and sympathy extended us during our recent bereavement; also for the many beautiful floral offerings. Mrs. Ralph M. Spencer and Family.

**Just give it Air—and it'll give you Action**

**MAYBE** you didn't know that an efficient gas mixture for your car has about 9,000 parts of air by volume for every one part of gasoline.

That being so, you can see how important air-handling capacity is to your power plant.

Take this stunning Buick FIREBALL straight-eight, with

for the Business Coupe (illustrated above) including Compound Carburetion.

delivered at Flint, Mich. State tax, optional equipment and accessories—extra. Prices and specifications subject to change without notice.

Compound Carburetion stepping up its horsepower.

Ordinarily, this engine purrs along sweetly with only one of its two carburetors functioning.

But step down on the gas treadle and what happens?

A second carburetor opens up. Doubles the air-handling capacity. Steps up power, lift, life, action. You go swooshing off like a scared boy with a bee behind him.

Would feeding more gas accomplish the same result?

After a fashion, yes—but why be spendthrift? Why

EXEMPLAR OF GENERAL MOTORS VALUE

feed your engine gasoline when what it wants is air?

Why not enjoy power as you want it and when you want it—plus gas economy that owners say runs as high as 10% to 15% over last year?

For that matter—why get less room, less style, less comfort, less value than Buick offers at such little prices? See your nearest Buick dealer now—and at least get the delivered figures.
