Mr. Tremaine said "We were especially interested in the news articles showing the wide and enthusiastic participation in the observance. We also were very glad to see the editorials so in keeping with the spirit and aims of Music week. . . Your scrapbook was nicely arranged and the clippings well marked so that we can easily give Medford proper credit in our permanent record. CORPORAL HUGHES FINDS LOCAL BOYS IN FT. ORD RANKS

By Corp. Paul W. Hughes
Fort Ord, Calif., June 18.—(Special Correspondence)—The 41st Provisional Company is now stationed here. We left King City last week and are attached to the 58th Quartermaster Regiment.

On the first day here I found George Cox, one of Medford's trainees in this company. George has been in the army four months and likes it fine. Also met another Medford boy, Jack Canfield, here. He was inducted in Seattle and is with the 202nd Signal company.

We are now living in barracks and stationed just a few blocks from the ocean where there is plenty of fishing and swimming. Nearby towns have plenty of entertainment for us all.

Had a big show here last Sunday, sponsored by the studios in Hollywood. A long list of stars participated, including Carol Landis, Claudette Colbert, Marlene Dietrich, Dick Powell, Joan Blondell, the Ritz brothers, George Burns, Grace Allen, Jack Benny, Mary Livingston, Rochester, George Jessel and scores of others.

We still don't know when, if ever, we will return to Fort Lewis.

REV. JOS. KNOTTS WILL BE PASTOR OF SALEM CHURCH

Appointment of the Rev. Joseph Knotts, pastor of the First Methodist church of Medford, to be pastor of Leslie church in Salem, was announced yesterday. He returned last night from the annual conference at Eugene. Rev. Knotts will appear in the local pulpit next Sunday for the last time before going to his new pastorate.

Announcement of the appointment revealed that Rev. Knotts had made an enviable record since coming to Medford eight years ago. Several years prior to his arrival the local church property had been sold to satisfy a heavy mortgage which the congregation was unable to carry on account of the depression.

After nine months of negotiation the property was bought back on very reasonable terms. The congregation again took heart and with determination and optimism, the membership steadily increased and the Medford church is now the leading one of the Cascade district.

During Rev. Knotts' pastorate he has received 406 members. Also there has been accomplished the union of the two Metho-

dist churches on West Main street. Active membership of the church at the present time is 756, not including the non-resident and inactive membership.

Nine years ago the church gave a little less than \$200 for benevolent causes. Givings have steadily increased until this year they were nearly \$1400.

The Rev. L. C. Kirby, who has been appointed to the Medford pastorate, has been residing in Pendleton for the past three years. Rev. Knotts plans to leave next Monday for Salem and it is expected that the Rev. Kirby will arrive in Medford the middle of next week.

COLUMBIA LOGGERS TO SIGN NEW AGREEMENT

Portland, Ore., June 23.—(P)—CIO logger officials of the

lower Columbia river district will sign a new contract with employers today or tomorrow, Al Hartung, district president, predicted.

It provides wage increases of 7½ cents an hour to a 75-cent minimum. A week's paid vacation and a modified union shop clause.

"The first time I used M.C.P. my jams and jellies not only won most of the individual awards at the County Fair, but the Sweepstakes Prize, too. I can't praise M. C. P. Pectin too highly!" Mrs. Eva Denuit, Stockton, Cal.

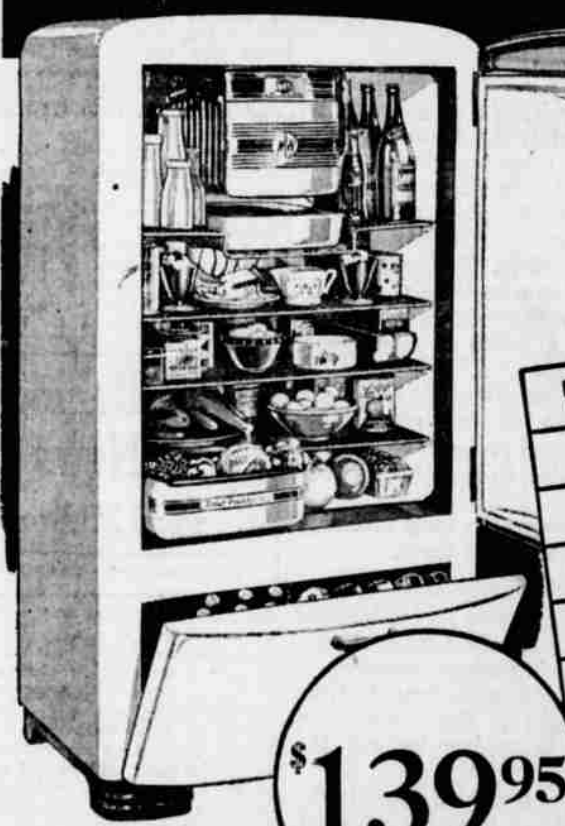

CUTS and BRUISES

Many a so-called "slight" cut or bruise has become serious through neglect. Better take these precautions. Be sure that the injury is clean. Then freely apply Mentholum, and bandage. Not only does this bring a cooling, soothing sensation—relief from pain or stinging—and comfort, but it also promotes healing.
