

FOUR PAY FINES IN CRACK-DOWN ON AUTO DRIVERS

Fines totaling \$30 were levied against four traffic-law violators by City Judge Allen D. Curry yesterday afternoon and this

morning, bringing to \$80 the two-day total amount of money which has enriched the city treasury in the current police campaign to halt careless driving. Wray L. Shimfessel of the Crater Lake highway made two appearances in city court, and was fined both times. Yesterday afternoon he was assessed \$10 on a charge of violation of the basic rule, and this morning the judge fined him \$5 for operating a car with no muffler. Police said he had been warned about the lack of a muffler about a month ago.

Elvin Babcock of 401 South Riverside avenue, charged with Shimfessel with violation of the basic rule following an accident between their two cars early Thursday morning at McAndrews road and North Riverside avenue, was also fined \$10 yesterday afternoon. Both charged with double parking with nobody in the drivers' seat, George R. Carter, county clerk and James Ringrose each were fined \$2.50.

Armand Sullivan, 19, CCC enrollee from the south, was sentenced to an indeterminate term not to exceed three years, on a plea of guilty to a charge of assault with a deadly weapon, when he appeared before Circuit Judge H. K. Hanna yesterday. Sullivan was charged with stabbing Lee Cook, a fellow-enrollee from Camp Applegate last June 7, during a fracas on Front street between two groups of CCC youths. Cook, slashed 11 times about the shoulders and neck, is able to be out of the hospital, where at first his condition was regarded as serious. In connection with the affray, a hearing was held yesterday in the case will be forwarded to the state liquor board for final action. Burglary Admitted Douglas E. Jones, 19, Butte Falls district youth, entered a plea of guilty to a charge of burglary not in a dwelling, and passing of sentence was continued until Douglas Butts, similarly charged, is apprehended. The pair are charged with entering summer cabins in the Butte Falls district and taking food, cooking utensils and other articles. Jones is serving a sentence of 30 days and \$25 fine on his plea of guilty in justice court the first of the week to dynamiting fish in Little Butte creek. GASQUET CAMP IS ORDERED CLOSED

Medford CCC district headquarters today announced receipt of official notice that Camp Gasquet, near Crescent City, Cal., will not be occupied after July 1. It was not known at headquarters, however, whether the company occupying the camp would be disbanded. Discontinuance of Camp Gasquet will leave only one camp remaining on the Siskiyou national forest, Camp China Flats, near Powers. There is also only one camp remaining on the Rogue River national forest, Camp South Fork, Camp Applegate having been recently disbanded. Camp Gasquet has carried on an extensive program of building recreational facilities, signs, lookout towers and other forest projects. Wall St. Report

New York, June 27.—(AP)—Heavy buying in major commodities today blanketed a generally indifferent stock market. The share list inclined to droop from the start and declines of fractions to more than a point were observed in most departments at the close. Some consolation was derived from the fact offerings were relatively small throughout. Transfers for the full proceedings were around 450,000 shares. Among bounding staples cotton futures shot up better than \$1.60 a bale to new 11-year tops and cottonseed oil contracts registered new highs since 1926. Grains exhibited strength. Bonds were comparatively steady. Today's closing prices for 34 selected stocks follow: Al. Chem. & Dye 152 1/2 Am. Can 82 A. T. & T. 155 1/2 Anaconda 27 1/2 Atch. T. & S.
