

GERMAN BANKERS 3 CHAMPIONS ON SHARE CONQUEST MONDAY MAT CARD WITH NAZI ARMS

Now Buying Up French, Belgian Holdings in Turkey; Funds From Conquered

By Preston Grover
Istanbul, Turkey, July 8.—(AP)—German bankers, pursuing the financial conquest of Europe in the wake and sometimes in advance of the Nazi armies, have begun buying out French and Belgian holdings in Turkey. For money they apparently are using funds extracted from the occupied countries. The present operations in Turkey, as described by a competent source, are only a small part of the campaign which began with the German occupation of Paris, where the writer learned some of the details.

Using both financial and political pressure, the Germans are ferreting out the vast network of French investments in Europe to supply their increasing demands for foreign exchange. Although French and Belgian investments in Turkey are comparatively small, Germany needs their credits in Turkey to pay for her increased purchases here. A score of German bankers arrived in a group a few weeks ago.

Germany gets 400,000,000 francs daily from France under the armistice agreement to pay costs of the German occupation. But since the actual cost is reported to be much less than that, a surplus is left over with which to buy out French holdings in France and abroad. (The franc has a nominal value of about 23 cents.)

The Germans therefore can afford to make enticing offers for French foreign investments.

SOLDIERS PARADE ON ARRIVAL FOR THREE-DAY VISIT

(Continued from page One.)
that aside from a little sickness normally to be expected, the men of his command were all in fine health and spirits. "They are a fine lot of men," he declared.

Water First Thought
First unit in the column arrived here about 10:30 this morning. In response to a telegraphed request from Col. Cowgill, Mayor H. S. Deuel had arrangements made with residents along South Riverside avenue to have hose lines connected in front yards so that the men could refresh themselves with Medford water. Part of the highway was blocked off so that the men could get water conveniently on both sides of the street.

The column moved in six sections, Medford's soldiers being in section 5. While waiting for the Medford men to arrive, the band played down town.

Calls on old friends were made also by Brig. Gen. Thomas E. Riley, commanding the 82nd brigade, which includes the 186th and 182nd Infantry.

With the boys in camp, the stage was cleared for the dance to be given in their honor by Medford post of the American Legion at Oriental Gardens at 9 p.m. tomorrow. In order to give the boys the best possible welcome, the post invites the public to attend the dance and urges a large attendance. All women will be admitted without charge and E. W. Winkle, post commander, said he was expecting a lot of Medford's pretty girls to be on hand. Any net proceeds will be given to the welfare fund of Company A and headquarters company, Mr. Winkle said.
