# SPANISH WAR VETS WOULD CURB 'ISMS

Newport, Ore., July 11—(AP)—Oregon's United Spanish War Veterans urged in a resolution yesterday that the state superintendent of schools discourage the "liberal attitude" of instructors in high schools.

The resolution asserted that foreign "isms" were being taught in Oregon schools and struck at textbooks by Dr. Harold Rugg, Columbia university teachers' college faculty member.

Frank Pendergrass of Portland was elected state commander and Henry Gates of The Dalles senior vice-commander. Other officers included: L. W. Wipperman, Grants Pass, inspector; George Sweet, Cottage Grove, Roy Campbell, McMinnville, Harry Turner, La Grande and A. L. Fugit, Baker, national convention delegate.

The auxiliary completed its election yesterday by naming Josephine Burnett, Eugene, historian; Austin Barneburg, Medford, conductor.

The 1942 convention will be at Astoria.

# EXTORTION PLANS LEAD TO ASYLUM

Eugene, July 11.—(AP)—Max Babcock, 23, Eugene, was committed to the state hospital for the insane today after disclosing to Eugene police officers a plan to extort $5000 from Mayor Elisha Large.

Babcock was arrested at Corvallis for Eugene police last night, after forcing Don Bradford, Long Beach, Calif., to drive him to Corvallis. Bradford said Babcock was armed.

At the hearing today Babcock disclosed several schemes to make money, including his extortion plot, Mayor Large said. Among them was one to sabotage American airplanes for remuneration he expected to get from Germany, he told Large.

### Australia Spending

Canberra, Australia, July 11.—(AP)—Arthur W. Fadden, war cabinet treasurer, announced today that Australia had spent 181,000,000 pounds sterling (about $584,630,000) on its war efforts during the past year.

San Francisco, July 11.—(AP)—Federal Labor Conciliator Andrew J. Gallagher announced today settlement of a labor controversy involving 300 CIO International Woodworkers unionmen and the Scott Lumber company of Burney, Shasta county.

# VITAMIN VALUES LOST IN MILLING

Portland, Ore., July 11.—(AP)—Millers process valuable vitamins out of flour, then try to restore them artificially, which is tackling the problem backward, Dr. E. V. McCollum told the Pacific coast dental conference today.

The Johns Hopkins university nutrition authority said it would be better not to emphasize the whiteness, and make a flour that retains all the important wheat vitamins. This is done in Canada, he said.

Americans should eat more raw fruits and vegetables, he continued, if for no other reason than to exercise their gums and teeth with the chewing.

# THREE DROWN IN COLUMBIA, LEWIS

Portland, Ore., July 11.—(AP)—Three boys died yesterday in the Columbia and Lewis rivers.

Arthur Bergstrom, 13, and his brother, Donald, 11, of Ridgefield, Wash., were swept into deep water while wading in the Lewis river near their home. Their bodies were recovered. They were sons of Mr. and Mrs. S. P. Bergstrom.

Lawrence Krebs, 17, drowned in a slough of the Columbia river near his home at Hood River. A wave upset the inflated inner tube on which he was floating.

### GRANTS PASS PASTOR SUCCUMBS SUDDENLY

Portland, July 11.—(AP)—The Rev. Franz J. Feinler, 70, pastor at St. Ann's church at Grants Pass for seven years, died here Wednesday en route to a hospital. He collapsed at the University of Portland where he had been visiting.

Pontificial requim mass will be held here at 10 a. m. Saturday in St. Mary's cathedral and burial will be in Mount Calvary cemetery.

### German Refugees

Shanghai, July 11.—(AP)—Six hundred German women and children, refugees from the Netherlands East Indies, arrived here today on the Japanese liner Asama Maru.

### Pioneer Passes

Tillamook, Ore., July 11.—(AP)—Eli Paton Wells, 75, native of Oregon and resident here since 1895, died today. He was born in Washington county in 1866. His widow and three children survive.
