LOAN TO BRITAIN  
WILL AID PAYMENT

Washington, July 22.—(P)—The federal loan agency announced today a \$425,000,000 loan to Great Britain, against an estimated \$500,000,000 worth of collateral, to help the British pay for war supplies ordered in the United States prior to enactment of the lend-lease program.

The loan was authorized by the Reconstruction Finance corporation with the approval of President Roosevelt and at the request of Jesse Jones, federal loan administrator, the agency said in a statement.

The deal was arranged, the statement explained, "for the purpose of providing the British with dollar exchange without having to sell their securities and investments at forced sale."
