

HUSBAND FORMER VALLEY RESIDENT PASSES IN SOUTH

Word was received in Medford today of the death of Captain Greene W. Dugger, U. S. navy retired, at his home, Twin Oaks ranch, near Napa, Cal., on Tuesday, August 26, the funeral services having been held at the Mare Island (Calif.) navy yard chapel, at 3 o'clock this afternoon. Captain Dugger was forced to retire from the service about a year ago, due to serious heart trouble, which proved to be the cause of his death. He had a brilliant career in the navy, enjoying steady promotion until his health suddenly broke down, and forced his retirement. Mrs. Dugger (nee Dorothy Conner) who, with her two children, will leave shortly to join members of her family in the east, has many close friends in the valley, where she lived with her mother at their home near Jacksonville until shortly after the first world war. During that war Mrs. Dugger attained national prominence when she was dramatically rescued from the torpedoed liner Lusitania, a tragic incident which was one of the indirect causes of America's declaration of war against Germany.

Only a short time ago Mr. Boudnot Conner, Mrs. Dugger's brother, a prominent member of the local ranch colony in the early boom days, died at his home near Santa Cruz, Cal.
