COMPLETE FEMININE HYGIENE DEMANDS:

MUCH has been written about feminine hygiene. But too often women overlook hygiene in the REAL sense of the word—underarm cleanliness and sweetness. You cannot be attractive with underarms moist, stained and smelly. Use Arid, the new cream deodorant. 1. Arid does not eat clothes, does not irritate skin.
2. No waiting to dry. Can be used right after shaving.
3. Instantly checks perspiration 1 to 3 days. Removes odor from perspiration, keeps armpits dry.
4. Arid is a pure, white, greaseless, moisture vanishing cream.
5. Awarded Approval Seal of American Institute of Laundering as harmless to fabric.
Women use more Arid than any other deodorant. Try a 10c, 50c or 99c jar today at any store which sells toilet goods.
