Wall St. Report

New York, Sept. 26.—(AP)—Scattered stocks grasped at recovery straws with mild success in today's market but many leaders exhibited a notable lack of rallying power. Transfers were around 500,000 shares against 1,170,000 shares in yesterday's slump. Wall street generally felt that the treasury demand for a 8 per cent ceiling on corporate profits would be cold-shouldered in congress and some who unloaded Thursday inclined to reinstate part of their commitments. CRASH VICTIMS TAKEN FROM SITE

Tacoma, Sept. 26.—(AP)—The bodies of six army fliers killed when their twin-motored McChord field bomber crashed on Mt. Constance two weeks ago, were brought to a Tacoma mortuary today with a military escort.

A contingent of soldiers from McChord and Fort Lewis brought the bodies down from the 7,700-foot Olympic mountain peak early today. The rescue party used a mule pack team over part of the mountain trail. The upper reaches of the mountain were so rough that the pack animals had to be left behind while army men, guided by experienced civilian trail blazers, climbed over the tortuous trails to retrieve the bodies and parts of the plane wreckage.

"It means the same in any language—

You can't make a bad cup of M.J.B.

—Ella Neal tells Walter Abel, while filming Paramount's "HOLD BACK THE DAWN"

WALTER: What means the same in any language?
ELLA: First, notice that this coffee is strong, but not bitter.
WALTER: Of course—it's M.J.B.
ELLA: Right! And notice that this coffee is full of flavor, even though it's made weaker.
WALTER: Sure—it's M.J.B. too.
ELLA: That's the point! "M.J.B." means "good coffee"—any way you make it, in any language.

Here's why it never fails! Make your coffee with the same care as you have in the past. These two exclusive M.J.B. features—a richer roast—and double blending—will give you the finest cup of coffee you ever tasted!

GUARANTEE. Buy a pound of M.J.B. Try it for a week. If you don't agree it's better than any other coffee—return the lid to M.J.B. Co., San Francisco, and we will refund double your purchase price.

GOOD ANY WAY YOU MAKE IT

GRIND—For drip or glass coffee makers. REGULAR GRIND—For percolator or coffee pot.

PLAN FORD DEBUT WEEK FROM TODAY

The initial showing of the 1942 Ford line will be held in this city and at other points on the coast Friday, October 3rd, according to an announcement today by Frank Heaton, sales manager of Crater Lake Motors. Ford dealers here. Through an error this first showing of Ford cars was broadcast for today. Heaton said, and he emphasized the fact that the introduction of Ford, Mercury and Lincoln-Zephyr models was not to be held generally for another week. Art Winetrot, manager of the firm, Frank Heaton, sales manager, and several members of the sales staff returned Wednesday from Oakland where they attended the coast dealer Ford, Mercury, Lincoln-Zephyr and Lincoln-Continental showing in Oakland Auditorium. Mr. Winetrot said, "The Ford line for 1942 is as much changed from last year's models as night is from day. The new cars are bigger, better than ever with plenty of chrome trim."
