WAKE UP YOUR LIVER BILE —

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour 2 pints of bile juice into your bowels every day. If this bile is not flowing freely, your food may not digest. It may just decay in the bowels. Then gas builds up your stomach. You get constipated. You feel sour, sunk and the world looks punk. It takes those good, old Carter's Little Liver Pills to get these 2 pints of bile flowing freely to make you feel "up and up." Get a package today. Take as directed. Effective in making bile flow freely. Ask for Carter's Little Liver Pills, 10¢ and 35¢.
