SMITH HEARING PLANNED FRIDAY

Eugene Smith, 29, held in the county jail on charges of failure to stop at the scene of an accident, will be taken to Klamath Falls tomorrow for a hearing. If it is agreeable to District Attorney Orth Sisemore of Klamath county, Attorney Otto Frohnmayer representing Smith said today.

Smith is being held at the request of Klamath county, in their investigation of the death of Marie Russell, 17-year-old Klamath Falls high school girl, who was found fatally injured on the highway October 25. Smith, a married man with two children, was arrested here by state police. He denies the charges, but admits he was in Klamath Falls on the day of the tragedy.

Smith's efforts to procure liberty on \$5,000 bonds were unsuccessful.

HERB GREY TALKS TO LIONS CLUB ON 'PRESS FREEDOM'

Herb Grey, advertising manager of the Medford Mail Tribune, addressed the Medford Lions club Wednesday evening at their regular weekly dinner held at Ehrheart's.

Mr. Grey cited the great responsibility the press holds in the present crisis. He pointed out the urgency of a maintained free press and expressed the opinion that it was mutually important to the well-being of democracy-loving citizens and the press to enjoy that freedom.

"A safeguard of the rights of citizens was written into the constitution in placing freedom of the press on an equal basis with the right of free speech and the right of freedom of worship," Grey said, continuing, "the press has its definite responsibilities to the public, including honest editorials, honest advertising and news presented without bias. The charge that large advertisers dominate the dissemination of news and control editorial policies is false. There are too many privately-owned newspapers whose publishers spring from the grass roots of the country."

Grey recalled the important part that newspapers have played in great moral, civic, state and national victories. He emphasized the growing responsibility of citizens with respect to the financial burden and the combined effort in the fight for democracy.

A recommendation was made by the club that the Medford Mail Tribune be sent a letter of appreciation for its wholehearted support of the recent 4-H Club Poultry and Rabbit Show which Lions club members sponsored, and which state 4-H leaders cited as being the first large-scale event of its kind in the state.
