

PATRIOTIC PARADE WILL BE FEATURE ON ARMISTICE DAY

Procession To Start At 11
A. M. Tuesday—Dugout
And Dance Other Phases.

After weeks of detailed planning by a number of special committees, Medford post of the American Legion today announced its readiness to present the biggest and best Armistice Day celebration in its history. The event will be held next Tuesday, November 11, anniversary of the signing of the armistice that brought World War No. 1 to an end.

Various events will be sandwiched between a patriotic parade in the morning and the customary ball late at night. Because of the present world crisis, the celebration this year is expected to attract more interest and arouse a greater feeling of patriotism than ever before, the general committee said.

Patriotic Parade
The day's events will be opened by a salute of several bombs at the armistice hour of 11 a. m. The parade will get under way immediately afterward, the procession forming in the side streets off Main street in the vicinity of city park. This year the parade will be strictly patriotic in character and so there will be no commercial entries, the committee stated. Many patriotic, religious, civic and fraternal organizations as well as granges, schools and other like groups are expected to march. The committee said there would be plenty of martial music, with several bands and drum corps representing schools, lodges and patriotic orders spaced throughout the procession.

The famous "dugout" will be opened after the parade. The "dugout" program this year will spotlight five imported vaudeville acts, with a number of other attractions added during the afternoon and evening.

Dance To Climax
Special programs have been arranged at all the theaters, the

committee said, and this year the new Medford Ice Arena will be an added attraction for the throng expected to be attracted to town by the celebration.

The ball, climax of the celebration, will start at 9 p. m. and continue until 2 a. m. Steve Whipple's augmented orchestra will provide the music and old-time favorites as well as the latest dance tunes will be played, the committee assured old and young dancers. A floor show will provide added entertainment.

Official American Legion script will be accepted for admittance to all attractions on the entire day's program.

Dean Match Folder Brings Letter From Gary, Ind., Youngster

A. Z. "Tubby" Dean today had one of his Pontiac Sales & Service match folders that had travelled all the way to Gary, Indiana, and back again. With the returned folder, now empty, came a letter from Maxine Downey, Route 2, Box 338C, Gary, Miss Downey wrote:

"I thought I would write to you and tell you that my father got one of your match folders. I thought it was interesting to know that a match folder got all the way from Medford, Oregon, to Gary, Indiana."

"My father works at the American Bridge company. I have often wondered what Medford, Oregon, was like. Maybe sometime I will be able to see."

How the match folder got to Gary or into Miss Downey's possession the letter did not explain. The handwriting was that of a young, grammar school child.

**Thirty Million More
Asked for Bonneville**
Washington, Nov. 7.—(AP)—President Roosevelt asked congress today for an immediate appropriation of \$30,000,000 for additional construction for the Bonneville power transmission system.

In a letter to Speaker Rayburn, he said the funds were needed to accelerate construction of the distribution system to provide power to meet defense industry demands at the earliest possible date.

"A critical power shortage in this area is now imminent," the letter continued.
