

ARMORED TROOP EXPANSION SEEN FOR NORTHWEST

Fort Lewis, Wash. (AP)—The million and a half dollar "Fourth Echelon" project which has started to rise on the prairie near Fort Lewis portends to a great near future development of armored troops in the Pacific northwest.

By "Fourth Echelon," the army means a department manned by skilled mechanics and machinery large enough to handle the heaviest repair work in army motorized equipment.

When the project is finished, the army will be enabled to handle tank and half-track vehicle repairs, assemble trucks and engine parts and conduct complete overhauls.

Officers at Fort Lewis point out that present shops and equipment are sufficient to handle the 7,000 trucks, 70 tanks and numerous reconnaissance cars now in operation on the post. The new project, consequently, is the harbinger of new forces.

The "Fourth Echelon" group of buildings will include a huge structure with floor space of 500 by 500 feet. Another shop will measure 187 by 600 feet on the ground floor.

Veterans Thank Local Helpers To the editor:

The members of Crater Lake Post 1933 Veterans of Foreign Wars of the United States wish to extend their sincere appreciation for the excellent cooperation given them in the recent Safety Seal campaign.

The 30 different kinds of seals, each picturing some form of danger or suggestion how to avoid an accident, have attracted much attention. Accidents have been cut as much as 75 per cent in some places. The Veterans of Foreign Wars hope that Medford will reap as much benefit by the Safety Seal.

To you who made our Safety Seal campaign such a success, we thank you.

M. A. BENEKA
Commander Crater Lake
Post 1933 Veterans of
Foreign Wars.

Co-Ed Threatened

Betty Berch (above), 17-year-old co-ed, was revealed by Richard Hood, Los Angeles FBI head, to have been the object of an alleged \$5,000 extortion attempt by Alfred Arndt Sr., 17, University of California at Los Angeles student. The FBI turned Sr. over to juvenile court.

COMPLETE FEMININE HYGIENE DEMANDS.

MUCH has been written about feminine hygiene. But too often women overlook hygiene in the REAL sense of the word—understand cleanliness and sweetness. You cannot be attractive with uncleanliness, stained and soiled. Use Aroid, the new cream deodorant. 1. Aroid does not rot clothes, does not irritate skin. 2. No waiting to dry. Can be used right after shaving. 3. Instantly checks perspiration 1 to 3 days. Removes odor from perspiration, keeps complexion dry. 4. Aroid is a pure, white, grainless, soapless vanishing cream. 5. Awarded Approval Seal of American Institute of Laundering as harmless to fabric. Women use more Aroid than any other deodorant. Try a 10¢, 50¢ or 50¢ jar today at any store which sells toilet goods.

LOCALS

To Join Navy—Four youths will leave by train tonight for Portland to take their final qualifying physical examination for enlistment in the U. S. navy. Jack M. Carpenter, recruit here, announced. They are Harry Buckmaster, son of Mrs. Pauline Hampton of 847 West Second street, Joseph Smith, son of Mr. and Mrs. Thomas Smith of Gold Hill, Robert Loucks, son of Mr. and Mrs. Eugene Loucks of Phoenix, and Aaron Lunberg, son of Mrs. Alice Campbell of Montague, Cal. Buckmaster and Smith seek minority enlistment, by which they would serve until they are 21. Lunberg applied for naval reserve enlistment, to remain in service for duration of the emergency, and Loucks registered for the regular navy six-year term, Carpenter said. Buckmaster has a brother in the navy, James, who enlisted last February 18 and is now on the battleship West Virginia. If the four youths pass their final medical tests, they will go immediately to San Diego, Cal., for six weeks of recruit training before being assigned to duty.

Local Concern To Furnish P.O. Shrubs

Medford Rose Gardens & Nursery had official word today that its \$500 bid had been accepted for beautification of the grounds around the enlarged and remodeled federal building.

The contract calls for the planting of a sugar maple tree and English holly and cotton-wood shrubs. The work is to be started in the next few days. Postmaster Frank DeSouza stated.
