The Pleasant Way to Treat Constipation

Why let yourself in for all the discomfort of constipation—and then have to take an emergency medicine—if you can avoid both by getting at the cause of the trouble?

If your difficulty, like that of millions, is due to lack of "bulk" in the diet, the "better way" is to eat Kellogg's All-Bran. This crunchy toasted cereal—a natural food, not a medicine—has just the "bulk" you need. If you eat it every day, it will help you not only to get regular but to keep regular, month after month, by the pleasant means you ever knew! Eat All-Bran often, drink plenty of water, and "Join the Regulars." Made by Kellogg's in Battle Creek, held by every grocer. If your condition is chronic, it is wise to consult a physician.
