Local Resident Returns From Mexican Trip

Mrs. Paul Janney has returned to her home on the Jacksonville highway after a five weeks' trip in Mexico in company with Mrs. J. R. Holmes of Lyman avenue. They were met in Guadalajara by a driver and continued south into Mexico by auto, stopping enroute to Mexico City to see points of interest.

One of the interesting features of the trip were the pyramids at Cholul. Although one of the pyramids is just being uncovered there are many tunnels into the pyramids and the travelers explored the high gallery which is surrounded by a fresco. It is thought the pyramids are over 2,000 years old and atop one is a small Catholic church.

The peon markets throughout Mexico proved to be fascinating, filled with vegetables, peasant pottery and silver. They enjoyed a trip on the floating gardens at Xochimilco. The flower be-decked barges are paddled up the long winding canal and singing and colorful scenery added to the festivity of the trip.

Upon their return to California Mrs. Janney visited in Altadena and other California cities before returning north. Mrs. Holmes, the mother of David and Harry Holmes, has just purchased a home on Lyman avenue where she will reside.
