RECRUITING GIVEN BIG IMPETUS BY ATTACK ON ISLES

75 Apply For Army Duty At Medford Office—Many Seek Entrance In Navy.

The army and navy recruiting offices in Medford federal building continued busy today under the stimulus of Japan's attack on the United States.

The Japanese action has also stimulated registration of residents for civil defense, many signing up to do their part in protecting the civilian population. Registrations must be made in person at the Jackson County Chamber of Commerce. Sgt. Joseph W. Cushman, army recruiter, said he had 75 applicants for enlistment yesterday and today up to noon. Another Japanese boy applied for enlistment today. He was Roy S. Koyama, son of Mr. and Mrs. Joe J. Koyama of 520 South Central avenue. He was born in Medford November 8, 1914.

Japanese Applies

First Japanese youth to apply for army enlistment was Kazuo R. Maruyama who was waiting for the office to open when the recruiter arrived yesterday morning. Maruyama is employed by the Pacific Fruit & Produce company and not American Fruit Growers, Inc., as stated in the Mail Tribune yesterday. He is a member of the teamsters union here.

Jack M. Carpenter, navy recruiter, said he had 36 applications from this district yesterday and five more this morning, in addition to dozens of men who came in to ask general questions about eligibility. Carpenter said that so far there has been no revision of the navy regulations barring enlistment of married men and men with dependents. Eleven married men sought to enlist yesterday, he said.

Three men will leave by train tonight for Portland to take final medical examinations for enlistment in the navy. They are Jack Cummings, caretaker at the Medford high school athletic field who has had army experience and wants to be a cook in the navy, James Mills of Central Point, who once served as a baker in the navy and is re-enlisting, and John Waters, son of Mr. and Mrs. C. R. Waters of 657 South Holly street, who wants to enlist for duration.

The Better Way to Treat Constipation

One way to treat constipation is to endure it first and "cure" it afterward. The other way is to avoid having it by getting at its cause. So why not save yourself those dull headachy days, plus the inevitable trips to the medicine chest, if you can do it by a simple common-sense "ounce of prevention"?

If your trouble, like that of millions, is due to lack of "bulk" in the diet, "the better way" is to eat Kellogg's All-Bran. This crunchy, toasted, ready-to-eat cereal has just the "bulk" you need. If you eat it regularly—and drink plenty of water—you can not only get regular but keep regular, day after day and month after month! All-Bran is made by Kellogg's in Battle Creek. If your condition is chronic, it is wise to consult a physician.

Accepted into membership last night were Tom Wallace Swobe of Eugene, John Cameron Johnston of Klamath Falls and Emmett Cantrall of Medford.
