COMPLETE FEMININE HYGIENE DEMANDS

Most has been written about feminine hygiene. But no other woman ever looked like the REAL sense of the word—underarm cleanliness and sweetness. You cannot be attractive with underarms moist, stained and smelly. Use Afta, the new cream deodorant. 1. Afta does not red dress, does not irritate skin. 2. No waiting to dry. Can be used right after shaving. 3. Instantly checks perspiration 1 to 3 days. Removes odor from perspiration, keeps armpits dry. 4. Afta is a pure, white, grainless, scintillating vanishing cream. 5. Awarded Approval Seal of American Institute of Laundering as harmless to fabric. Women use more Afta than any other deodorant. Try a 10¢, 30¢ or 50¢ jar today at any store which sells toilet goods.

ROUNDUP SET

There's a Good Reason You're Constipated!

When there's something wrong with you, the best rule is: try to get at the cause. If you are constipated, don't be satisfied to endure it first and "cure" it afterward. Find out what's giving you the trouble.
Chances are it's simple if you eat the super-refined foods most people do. It's likely you don't get enough "bulk." And "bulk" doesn't mean a lot of food. It's a kind of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestine and helps a bowel movement.
If this is your trouble, you should eat a natural "bulk" producing food—a natural one as the crunchy, toasted, ready-to-eat cereal, Kellogg's All-Bran. Eat it often, drink plenty of water, and "Join the Regulars." All-Bran is made by Kellogg's in Battle Creek. If your condition is chronic, it is wise to consult a physician.
