

# Rose Bowl and East West Tilts Seek Temporary Sites

## EASTERN OFFERS ARE CONSIDERED FOR 'BIG' GAMES

### Cancellation of California Contests Dictated by Military Expediency.

Pasadena, Calif., Dec. 15.—(AP)—The New Year's day football game scheduled to be held in the Rose bowl between Duke university and Oregon State college was officially transferred today to Durham, N. C., home of Duke.

Director of Athletics Percy Lacey of Oregon State announced the official transfer after a telephone conversation with Wallace Wade, athletic director and coach of Duke.

Refund of approximately \$254,000 already received by Rose bowl authorities here will be accomplished as soon as possible. Reapplication will have to be made for the new site. Details of this nature are to be announced shortly.

It will be the first time in history, of course, that the Rose bowl game will have been played away from its home grounds.

Consent for the transfer, Lacey said, was obtained from the Pacific Coast conference and the Tournament of Roses.

San Francisco, Dec. 15.—(AP)—The west's famous new year's football classic—the Rose Bowl and the East-West games—hunted temporary new homes today as war refugees.

Military expediency demanded blackout of the games. The army was firm. Sponsors agreed to cooperate fully and cancelled all local arrangements.

Then, as Pasadena and San Francisco kissed dreams of thousands of tourist dollars goodbye, officials went to work to find other quarters for the orphaned sports spectacles.

Offers Solicited

Where the games might be taken was anybody's guess. Percy Lacey, director of athletics at Oregon State College, the West's Rose Bowl representative, said he was "receptive to offers" of a place to hold the game, a feature of the annual Pasadena Tournament of Roses.

And he got them. Officials of Duke University, Oregon State's choice to represent the east, suggested that the game be played at Duke Stadium, at Durham, N. C., "with Rose Bowl sanction or otherwise." Chicago, New York, and Kansas City were mentioned as other possible sites.

There appeared to be plenty of takers for the East-West game, too. Atlanta, Chicago, Spokane, and Norman, Okla., home of the University of Oklahoma, all were reported to have been in touch with East-West representatives. A decision on the East-West encounter, an annual benefit for the Shriners' Crippled Children's hospital here, was expected today.

Heavy Loss Seen

The financial loss incurred could only be estimated. Based on last year's figure, Duke would have received about \$100,000 from the Tournament of Roses association. Oregon State would have taken \$57,000 and nine other Pacific Coast conference members would have received \$7,500 each. The association, owner of the Rose Bowl, would have netted \$71,000. The association still owes \$40,000 on the bowl.

Sixty thousand tickets have been sold to the Rose Bowl game for approximately \$254,000. The money will be refunded by individual check. Oregon State, which already has spent about \$20,000 for promotion and other preliminary work, will foot the stamp bill.

There was no one to say what division of revenue will be made should the game be played elsewhere.

Tickets to 90 per cent of the 60,000 seats in Kezar Stadium, site of the East-West game, have been sold. Purchasers will be reimbursed in full. A reserve fund built up over the 16 years the game has been played will assure the crippled children's hospital against curtailment of service for lack of finances.

Shriners' officials said approximately \$20,000 already had been spent for promotion and equipment. This, too, will be paid out of reserves.

In Chicago, Andy Kerr of Colgate, coach of the eastern stars, said it was unlikely that the East-West game would be staged in Chicago's Soldier Field because of the normal January weather conditions.

**DRESSING THE PART**—When plans for a basketball game of 1891 vintage called for a "handlebar mustache", Frita Mueller (left) and Charles Legg went all out in hirsute decoration. Game was part of a golden jubilee celebration marking 50 years of basketball and was played by the Cortland Normal school students at Cortland, N. Y. Peach baskets served for the game.

## LEW CONGER WINS GRAND AGGREGATE IN RIFLES MATCHES

### Low Conger of the Medford Rifle Club was winner yesterday of the grand aggregate of four matches conducted on the club's indoor rifle range.

Low Conger of the Medford Rifle Club was winner yesterday of the grand aggregate of four matches conducted on the club's indoor rifle range.

Conger also collected a first place in the sitting match and seconds in the prone and standing matches. His aggregate score of 757 was two points over that of Paul Dodge of Yreka, Calif.

Third aggregate went to Mrs. Ivan Waddell, also winner of the standing match. The prone match went to Otto Howard, together with third place in the sitting and second in the kneeling matches. Dodge of Yreka won the kneeling event and a teammate, J. B. Smith, was third. Other winners were Phil Whitlock, with a prone third place and a second in the sitting, and Ed Lull, with a third in the standing match.

The matches were well attended by northern California and Grants Pass riflemen. They were practice matches scheduled before the registered indoor tournament here March 8. Executive Officer Ivan Waddell handled the targets and scoring.

Regular schedule of rifle shooting on Wednesdays and pistol on Fridays and both on Sunday afternoons will be resumed unless interrupted by any emergency defense work which requires the time of members.

## MIDWAY ISLAND WORKER CABLES 'OK' ON DEC. 13

### Additional residents here received word today of the safety of relatives on islands in the Pacific war area.

Mrs. Harold Looper, 419 West Second street, received a cablegram dated December 13 saying that her husband, who is employed on Midway Island, was all right. The terse message said: "OK. Love." The island has been under Japanese pressure since the outbreak of war December 7.

Mrs. Lewis Thompson, clerk in justice of the peace court, also received a brief cablegram this morning from her husband. Sent from Midway island yesterday, the message read: "OK. Love."

Mrs. Thompson said it was her understanding similarly cheering word was received by local relatives of other defense workers on the Pacific Isle.

Justice of the Peace W. R. Coleman Saturday received a letter from his son, Russell, a resident of Honolulu for many years, written a day or so after the Japanese attack.

The air raid came as a complete surprise, while most of the mid-Pacific city was sleeping late on Sunday, he wrote, adding the bomb explosions were at first mistaken for target practice. The population was in a dazed and nervous condition for a day following, the letter said. Americans were urged to fill the sea with ships and the air with planes to conquer the foe.

## Wall St. Report

New York, Dec. 15.—(AP)—Steels, aircrafts, rails and armament specialties carried the ball for the recovery team in today's stock market and scored gains of fractions to as much as 2 points or so at the best.

Many leaders, however, sat on the losers' bench throughout the greater part of the session. Among these were motors, rubbers and mail orders. Closing results, consequently, were about as mixed as the war bulletins with advances in the majority. Transfers were around 1,100,000 shares.

## BEARS WIN RIGHT TO FACE GIANTS IN PRO CLASSIC

Chicago, Dec. 15.—(AP)—The schedule makers of the National Football league disappointed followers of the New York Giants in not pitting their favorite team against the Champion Chicago Bears, but everything is all right now.

The league's representatives in the nation's two largest cities finished the season's play by winning their respective division titles, automatically placing them as finalists for the championship encounter. The title game will be played next Sunday in Chicago's Wrigley field.

The Giants knew they were one of the finalists a couple of weeks ago but the Bears in yesterday captured the western section honors by humbling the Green Bay Packers, 33 to 14, in a playoff.

The Giants were among the 43,325 fans at yesterday's third Bear-Packer clash. They learned what some of the league's other clubs discovered by the trial and error method this year—that the Bears often are vulnerable, sometimes for 10 minutes, sometimes for one or even two periods, and once this season for the whole 60 minutes (the Packers beat them, 16-14, on November 2).

Yesterday the Bears were open to attack for a full 15 minutes, during which time the Packers slipped over a surprise touchdown.

## HOGAN NOSED OUT BY BYRON NELSON IN MIAMI TOURNAY

Miami, Fla., Dec. 15.—(AP)—Big-time golf's great stretch-runner, Byron Nelson of Toledo, Ohio, sprang ahead of Ben Hogan to win first money in the \$10,000 Miami open, but the little Hershey, Pa., star's second place sewed up for him two of the year's most coveted honors.

Even though he took a 72 and blew his three-day lead, Hogan gathered in a \$1,250 check that sent his year's tournament winnings to \$17,333—more money than any other pro can win this year.

He also received 30 points toward the Vardon trophy—the pro's emblem of year-around tournament excellence—to run his total to a new record of 524. With only two P. G. A.-sponsored tournaments left, the second place golfer, Sam Snead of Hot Springs, Va., did not retain even a mathematical chance of overtaking Hogan.

Nelson burned up the fairways on the last nine and wound up with a brilliant 66 for a 72-hole total of 269, five strokes better than Hogan and six ahead of Slammin' Sammy.

## Young, Inexpensive Coach May Get Call To Succeed Phelan

Seattle, Dec. 15.—(AP)—The Post-Intelligencer said today that despite the clamor for a "big name" coach, University of Washington officials may pick a man from the northwest as successor to Football Coach Jimmy Phelan.

Athletic Director Ray Eckmann somewhat unexpectedly terminated the services of Phelan Hogan and his two assistants, Chester (Cotton) Wilcox and Ralph (Pest) Welch Saturday.

The paper said an authoritative source told it that: "The war is almost certain to place marked restrictions on football until the emergency is over. The subsidy is bound to be reduced. With that thought in mind, the logical move would appear to be to obtain the services of a young fellow just commencing his coaching career."

"There would be no big salary demands. Under restricted conditions such a coach would have an opportunity to prove his ability and grow up with the institution."

## Blackout Headlights Blamed in Collision At Main and Ivy Sts.

First collision of cars attributed to blackout lights was on record at city police station today.

Kenneth Ballweg, 28, 1207 East Main street, and Norman Burreson, 23, Gold Hill, operated the cars that collided late Saturday night, at West Main and Ivy streets, according to the report. Ballweg, driving east on Main, reported he had his headlights "painted to meet blackout requirements," and Burreson, driving north on Ivy, said he did not see the car, the report showed.

State police last week pointed out that it is illegal to drive a car with blacked-out headlights outside of blackout periods and that only emergency or other official cars are permitted to operate during blackouts. The police said vehicles which must be on streets and highways both during and outside blackout periods may use two spotlights outside the periods and the regulation blacked-out lights during blackouts.

Regulations regarding traffic during precautionary blackouts were published in the Mail Tribune last Friday and local police advised all motorists to clip the article out and learn the rules.

## FIRST AID CLASS MEETING CALLED

All who have registered for Red Cross first aid training under the civilian defense program are requested to meet in the main auditorium of the county court house at 7 p. m. Wednesday.

This will be a short organizational meeting at which Capt. S. M. Tuttle, chairman of the Jackson county council of defense, will summarize the defense program and C. C. Haggard, first aid instructor, will outline the first aid course and assign the first lesson.

There is no charge for this training with the exception of a nominal fee for a textbook, Haggard said. Only those who have registered under the civilian defense program are eligible for the training.
