

TOY DISTRIBUTION FRIDAY, SATURDAY BY LIONS LADIES

Playthings Rebuilt By Firemen To Be Given Out At Rogue River Chevrolet.

The big stack of rebuilt toys from Santa's shop at fire department headquarters will be distributed by Lady Lions to the parents of needy children Friday and Saturday at Rogue River Chevrolet company's spacious show room at Ninth and Bartlett streets.

The distribution will begin at 9 a. m. Friday. Postal cards have been mailed by the Lady Lions to 265 families telling the parents on what day and at what hour to call at the Chevrolet company for the toys. This method is used so that there won't be a rush all at one time and families were asked to call at the hour specified. Distribution has been planned carefully and there are enough toys on hand to provide gifts for all the children of the 265 families, said Mrs. C. C. Proctor, general chairman. Only families that have received postal cards should call for toys, she added.

Gifts For All

The number of children in the 265 families ranges from one to 16. For all of them there will be Christmas gifts because of the work of the Lady Lions and the city firemen who rebuilt and repainted old, discarded toys into new, shiny playthings for Yuletide giving.

The firemen's work is practically completed and the reconstructed toys are piled high at department headquarters. The Lady Lions will move the toys to the distributing center Thursday and in the meantime the club and the firemen would like to have the public call at the fire hall to see what Santa will give to the underprivileged children this year.

C. M. Hurd, head of the Chevrolet company, voluntarily offered use of his showroom for distribution of the toys.

FRANCE CRITICISES EXECUTION ORDER

(By the Associated Press)
Coming out openly against an order of the German occupation authorities for the first time since the armistice, France last night condemned a German order for the execution of 100 alleged Jewish communists and anarchists in occupied France.

The French acknowledged the 100 were "delinquents" instead of hostages such as the Germans have executed in groups this fall but said the very high number provoked "profound uneasiness among Frenchmen."

The Germans said Saturday the 100 would be shot in reprisal for "recent attacks against the occupation troops." They also fined the Jews in the occupied zone 1,000,000,000 francs (\$20,000,000).

In partitioned Yugoslavia and Greece, several hundred thousand axis soldiers were reported tied up with steady and strong resistance by Serbs and Greeks in a small-scale war.
