

Basket Jamboree Friday to See Five Quints in Action

NEIGHBOR TEAMS TAKING PART IN PRE-SEASON MIX

Starting Whistle Slated 7:45 Tomorrow Night on Medford's Senior High Court.

The Southern Oregon basketball conference will stage its first jamboree at 7:45 Friday night in the Medford Senior high school gymnasium with five high schools of the "A" league competing in a series of six-minute, pre-season clashes. This is the first time all schools of the major loop have consented to meet on one floor for a pre-season get-together. Players from Ashland, Roseburg, Klamath Falls, Grants Pass, and Medford will be present, each team participating in four games during the evening.

The jamboree is to be an annual affair in southern Oregon with a different school acting as host to visiting teams each year. Primary purpose behind the meeting, it was announced, is to acquaint coaches and teams with officials for the coming basketball year and to stimulate interest in basketball in southern Oregon. It will be the only opportunity to see all the major teams in southern Oregon in action at once, according to the word received from Russell Acheson, Tiger coach.

Relative to Roseburg, last year's district champions, not much information has been received. However, it is known that Jim Davis will have four lettermen back for this year headed by Hughes, a two-strips winner.

Cavemen Hopeful
In the Cavemen camp things are looking up. With a new coach and a new system as well as five lettermen, they have high hopes of reaching the top of the ladder. Arnold Benard, a graduate of North Dakota State, has sent his team into four games to date and has won two of them. They line up with John Gray and Ray Strowbridge at forwards, Harold Everton at center, and Bob Howard and Russ Martineale at the guard spots. All but one of these boys started most of the games last year.

Ashland will take the floor with two games under their belts. Jerry Gastineau has three first stringers left from last

year's aggregation. Only Center Smith and Guard Weaver have graduated. However, Jandreau, sensational forward, because of a broken leg sustained in football will not be able to participate in the early season games.

Klamath Green
In Klamath Falls, Dwight French will start his sixteenth year as Pelican coach with only two first stringers on his roster, Eugene Love and Jim Bocchi. Cox, Swanson, and Brotherhood of last year's second team have moved up to the varsity, completing the quint. Klamath Falls has also played in a couple of pre-season games.

Medford will be the only ball club to go into the fray without at least one game under its belt. However, Coach Acheson has promised a fighting aggregation on the floor Friday night. No man has clinched a first string spot as yet since Acheson has been trying different combinations. Returning lettermen are Captain Hank Herman, Bill Wall, and Lee Reynolds. R. B. Webber, Jack Kresse, Hal Adams, Dale Niedermeyer, Don Fawcett, Don Monteith, Herb Edwards, Al Weir and Ray Robinson have been showing up well in practice.

As a feature at the half there will be a foul shooting contest with one player from each team shooting 20 times. Awards have been purchased and the grand winner of the evening is to be selected on a percentage basis for both the foul shooting and team awards.

Freshmen Will Play On Varsity Elevens Is 1942 Prediction

Los Angeles, Dec. 18.—(AP)—Prof. John Olmsted of U.C.L.A., president of the Pacific coast conference, predicts that freshmen will be playing on varsity squads in the far west beginning next fall.

He said the matter would be taken up at the June meeting of the conference. It was mentioned at the recent Palm Springs confab.

"During the first world war freshmen were allowed to play on varsity teams," he recalled. "With many of the older college men being called into the service it looks as if the same procedure will be followed for 1942."

He expects the freshman participation to be discussed at the National Collegiate Athletic association meeting in Detroit December 30 and 31. He will attend.

BEAVERS' RECORD IN INTERSECTIONAL IS UNIMPRESSIVE

Durham Duel Will Be 20th Out of Bounds—10 Won, 8 Lost, 1 Tied So Far.

By Fred Hampson
Corvallis, Ore., Dec. 18.—(AP)—Oregon State, which entrains tomorrow for North Carolina to play Duke on New Year's day in the transplanted Rose bowl game, has behind it a tradition for being only so-so in intersectional football.

The Durham duel with Duke will be the 20th intersectional engagement since OSC went in for football. Of the previous 19—one has been in the Rose bowl—the Beavers won 10, lost eight and tied one.

Two victories were against opponents hardly of major football status, the Hawaiian all-stars and the University of Hawaii, beaten during an island voyage in 1939.

Nebraska Tough
The Beaver record would be a lot better if Coach Lon Stiner had side-stepped a trio of games with the University of Nebraska, his alma mater, in 1933-35. The Huskers whipped OSC 22-0, 26-20 and 32-14. Long before Stiner ever thought of coaching at Oregon State, Nebraska took a couple of falls out of the Beavers, 17-7 in 1917 and 14-0 in 1924.

Disregarding Nebraska, the western Rose bowlers look pretty good intersectionally. Certainly the school has a record for upsetting eastern favorites. OSC skyrocketed Pacific coast grid stock in 1933 by winning a stunning decision, 9-6, over a powerful Fordham team that was being nominated for national honors. That game came after OSC had held the long-unbeaten Southern California Trojans to a scoreless tie using only 11 men. The team was hailed as the giant-killer of the year but a week after the Fordham game it stopped off at Lincoln to play Nebraska. That ended the glory.

Unbeaten Duke's January 1 rival began playing intersectionally in 1915. The Oregon Aggies (the name was changed to Oregon State in the late 1920s) of that vintage knocked over the Michigan Aggies 20-0 at Lansing. Later in the same year Syracuse came to Portland and won 28-0.

Among Oregon State's best intersectional showings: 20-0 victory over Marquette in 1926, 25-13 win over New York university in 1928 and a 14-7 win over Detroit university in 1929.

DUCK TOURISTS BAFFLE XAVIER; SCORE 38 TO 25

Oregonians Hold Foe From Basket For 28 Minutes—Jackson, Andrews High.

Cincinnati, Dec. 17.—(AP)—Xavier university was no match for the University of Oregon basketball team here last night and the Webfoots won 38 to 25.

At the opening tip-off Xavier counted a field goal, and then was held scoreless, except for free throws, for 28 minutes. Oregon held a 21-7 advantage at the half, the Ducks' fast-breaking offense and general floor play baffling the Xavier squad. Scoring honors at nine points each were shared by Paul Jackson and George Andrews of Oregon and Bert Robbins of Xavier.

COMMITTEE FOR OUSTING LANGER

Washington, Dec. 18.—(AP)—Chairman Hatch (D-NM) announced today the senate elections committee voted 13 to 3 in favor of a resolution recommending that Senator Langer (R-ND) be denied a seat in the senate.

The action climaxed a year's consideration of charges involving moral turpitude which grew out of Langer's actions as an attorney and former governor of North Dakota.

Langer has been serving in his post since last January 3, pending final outcome of the proceedings. The senate membership must finally decide whether he shall be unseated.

Hatch said the committee's report would be made to the senate as soon as possible but declared it was his understanding the case would not be taken up by the senate until after the holiday season.

Betty Newell, Little Housewife Who Won National Golf Diadem, Rated Woman Athlete of Year

New York, Dec. 18.—(AP)—Betty Hicks Newell, the 105-pound housewife from Long Beach, Cal., who came east to win the national golf title in her first trial, is the woman athlete of the year.

The 30-year-old shotmaker, who already has turned pro and given up all chance of retaining the crown, was placed first by 24 of the 66 sports editors who competed in the Associated Press annual poll.

Her 101 points, compiled by giving her three for each first-place ballot, two for second and one for third, shot her far ahead of another bride, Mrs. Elwood Cooke, whose tennis campaigning brought her 69 points.

The former Sarah Paley Fabyan was ranked the United States No. 1 woman racket wielder earlier in the week.

Mrs. Newell replaces Alice Marble, professional tennis queen, at the head of the list. Miss Marble, leader in both 1939 and 1940, was inactive much of the time since early spring and she slumped to fifth place with 38 points, in contrast to the 216 of a year ago.

Third and fourth places went to a pair of young beautiful swimmers, Nancy Merki nosing out Gloria Callen, 46 to 43.

Others in the top nine were Patty Berg, golfing professional; Helen Crenkovich, swimming; and Mrs. Babe Drikson-Zaharias and Betty Jameson, golf.

For the first time in recent years Sonja Henie Topping, darling of the figure skaters and movies, failed to draw a response from any of the sports critics.

One of the voters, Urban Muenz of the Jamestown, N. D. Sun, gave one vote for Marion Miley, "who always went down fighting, be it in golf or otherwise." Miss Miley, one of the nation's better golfers, was slain as she and her mother surprised robbers in their clubhouse home at Lexington, Ky., late in September.

Cigarette Tax Foes Failed to Tell Cost

Salem, Dec. 18.—(AP)—Attorney General I. H. Van Winkle held yesterday that referendum petitions against the two-cent per package cigarette tax, passed by the 1941 legislature, were insufficient because the State Retail Grocers' association, sponsors of the referendum movement, failed to detail its expenditures in its campaign against the tax.

If Secretary of State Earl Snell accepts the ruling, the tax would become effective. However, a court fight is expected.

TURKEY SHOOT AT CENTRAL PT. CLUB SUNDAY MORNING

Unless a change in defense plans dictates otherwise, the Central Point Sportsmen's club will hold a turkey and merchandise shoot at 10 a. m. Sunday, rain or shine, at its traps just north of Central Point.

The management said there would be plenty of turkeys, bacon and other commodities. The public is invited to attend.

This will probably be the last shoot on the Central Point grounds as the club intends to consolidate its activities with those of the Medford Gun club at the latter's new range on the Crater Lake highway, the management said.

Activities of the Central Point club will be somewhat curtailed during the war emergency but the club "will positively be kept alive so that we can take up our unfinished work of conservation when the time comes," said the management. "Until such time, the club puts its whole facilities at the disposal of the Jackson County Council of Defense."

KENTUCKY STRAIGHT BOURBON WHISKEY

MEN who know their bourbon know what it takes to achieve the extra-delicious, extra-smooth, rich taste of Old Jordan Straight Bourbon Whiskey. We stick to the old methods that take more time, more care—the "slow" way we started 100 years ago. We still buy premium grains. Use more of them to a gallon. Simmer our mash slowly. That's how we get such extra smoothness, extra richness. That's why Old Jordan—straight whiskey every drop—sells so well in the "bourbon country", where men know their bourbon best. Yes, Old Jordan costs more to make, but not to drink! So treat yourself to the extra pleasure of Old Jordan.
