

MRS. M. D. ELLIOTT PASSES, AGED 81

Margaret Dorinda Elliott, 81, a resident of Medford for the past 14 years, passed away at a local nursing home December 19 at 7:30 p. m. after a brief illness. Mrs. Elliott was born in Boone county, Indiana, June 29, 1860. She was united in marriage to Daniel Elliott in 1877 in Boone county, Iowa, and to this union three children were born. One daughter, Laura, passed away in 1895. Mr. Elliott passed away in 1890. Two sons, James and Charles Elliott, survive, as do two grandchildren, Margaret Erbes and James Elliott, Jr., all of this city, also a number of nieces and nephews.

Mrs. Elliott was a life-long member of the Methodist church and a member of Magi Chapter No. 139 of Eastern Star of Boone, Iowa.

Mrs. Elliott moved to Medford from Iowa in 1927, where she has lived continuously, her late home being 312 King street.

Funeral services will be conducted from the Perl Funeral Home Monday at 1:30 p. m., with Rev. Louis Kirby, pastor of the First Methodist church, officiating. Interment will take place in the Siskiyou Memorial Park.

RIGID BLACKOUT IN STATE LOOMS

Portland, Ore., Dec. 20.—(AP)—Mayor Earl Riley said today that every effort would be made to conform to the order received from Lieut-Gen. John L. DeWitt to black out the city at any time on 60 seconds' notice.

He at first called a complete blackout for 5 p. m., believing that the 60-second warning might not be adequate, but later countermanded that and in a radio address called on the people of the city to prepare to meet the new regulation.

Under the new blackout order, to become effective in Oregon Monday, all neon signs, store fronts, road signs, flood lights and other outdoor commercial-illumination must be turned out and kept out until the state police can satisfy themselves that the owners can turn off the light in a 60-second notice. Capt. S. M. Tuttle, chairman of the Jackson County Council of Defense, stated last night. Full cooperation was requested. The order, issued by General DeWitt, was relayed by the second interceptor command at Seattle and re-stated for Oregon by Gov. Charles A. Sprague.

FEDERAL SAVINGS DIVIDEND, JAN. 1

Dividends will be distributed January 1 to members of the First Federal Savings and Loan association, R. F. Kyle, secretary-manager, said yesterday. The payment will be at the rate of 3½ per cent per annum for the current six months period.

Directors of the association at their regular December meeting ordered the dividend paid. The dividend represents earnings after all operating expenses have been paid and a substantial amount credited to the association's reserve funds, Mr. Kyle said.

On investment accounts the dividend will be paid in cash, Mr. Kyle stated. In other instances the dividend will be credited to the account.

CHRISTMAS SEALS STILL AVAILABLE

Sale of Christmas seals in booths around the city closed yesterday, but this does not mean that the seals are no longer available. Anyone wishing additional seals for Christmas packages may obtain them at the chamber of commerce or the Jackson county public health department in the county courthouse.

They will be on sale in those two places until Christmas day, Miss Helen Bullis, Jackson county chairman, announced yesterday.

KNIGHT TEMPLARS YULE MEET SET

Participating in a nation-wide commemoration of the birth of Christ, Malta commandery No. 4, Knights Templar, will hold a

program at 9 o'clock Christmas morning in the Masonic temple at Ashland.

An appropriate program has been arranged and all six knights and their ladies are invited, as well as visiting Knights Templar. After the ceremonial a breakfast will be served.

This is an annual event, the ceremonials being held simultaneously throughout the country.

WOMEN HURT IN HIGHWAY MISHAP

Mrs. Ida Trainor of Yreka, Cal., former Jacksonville resident, and Mrs. Woodrow Williams, 26, of Tillamook were injured in a collision of cars on the Pacific highway three miles south of town yesterday afternoon. Both were under treatment in Community hospital last night. Mr. Williams, driving the car his wife was in, was not injured.

Mrs. Williams suffered a deep laceration of the left leg, a laceration of the forehead over the right eyebrow and shock, her attending physician said. Mrs. Trainor sustained a sprained back and bruises, her attending doctor stated.

Investigating state police said they were informed by Mr. Williams that as he was proceeding south he noticed Mrs. Trainor in her northbound car stopped on the east shoulder of the road and that after she started in motion again she drove across the highway into the path of his car. Mrs. Trainor was travelling alone.

Investigation of the accident was to be continued, state police said. Mrs. Trainor's age was not immediately listed but police said she was in her fifties. She was taken to the hospital in the Perl ambulance. Mrs. Williams was taken to the hospital in a private car.

OWNER RECOVERS HIS SETTER DOG

A story in the Mail Tribune Friday restored to her owner the Irish setter that had been found earlier in the week in the Mail Tribune alley.

On the understanding that the dog would have to be returned to her owner should he turn up, the Southern Oregon Humane society found a home for the dog with Mr. and Mrs. J. M. Wilhee of 713 West 11th street, who were trying to find their own Irish setter that had run off to hunt by himself. After the Mail Tribune told of this arrangement, Lee Skaggs of the Hotel Holland claimed the dog as its owner.

Some of the hats now being manufactured are 25 per cent skimmed milk.

Research experts say that besides its value as a food, wheat can be utilized in 20 industries.

C. E. GATES NAMED CHEST HEAD, 1942

C. E. Gates will serve as president of the Medford Community Chest for 1942, having been elected at the annual meeting held at the county court house Thursday. John P. Moffat will be first vice president; W. H. Fluhrer, second vice president, and Ralph E. Sweeney, secretary-treasurer.

Board members representing various chest agencies for the coming year include B. E. Harder, Red Cross; Dr. George B. Dean, Jackson County Health association; George T. Frey, Salvation Army; Larry Schade, Boy Scouts; Mary E. Phipps, Girls' Community clubhouse, and Mrs. Edith Braley, Girl Scouts.

J. C. Boyle, who was elected president at the annual meeting last year, resigned during the summer due to activity in defense work. The office was filled by George Hiles, first vice president, for the remainder of the term.

NOTHING NEW ON ARMY CAMP HERE

Frank J. Van Dyke, coordinator of the Medford cantonment civilian coordination board, said he had nothing new to report when he returned yesterday from Portland where he conferred at the district executive office of the U. S. corps of engineers.

Because of the lack of any new or more specific information pertaining to the proposed Medford cantonment, he abandoned his intention of conferring at the Portland and Seattle offices of a number of federal agencies that had promised aid to Jackson county cities whenever authorization for construction of the camp was granted, Mr. Van Dyke said. Meantime the first report on the housing survey being made here was sent to Washington yesterday, Mr. Van Dyke said. The survey will be continued this week.

Nissen Institute Turns Fifth Year

Fritz Nissen, director of the Nissen Health Institute, 15 Geneva street, in marking the fifth anniversary of his institute here voiced thanks and appreciation Saturday to the public. "To those who have made our five years successful and happy, we extend our hearty thanks and sincere appreciation. To those who are unfamiliar with our health institute, we offer a cordial invitation to visit us at any time," Mr. Nissen said.

Besides supervised exercise facilities, the institute provides a physiotherapy department equipped with sun lamp, infrared lamp, vibrator, electric cabinet, shower, etc., baths and massage.
