Pro America Hears Discussion By Dr. Divine

Dr. Sherman L. Divine discussed the part that political parties play in the war at the luncheon meeting of Pro America yesterday at Hotel Medford. He stressed the need of working toward the unification of the country for an American victory but said that Americans must not adjourn their party affiliation.

The speaker also told of experiences in other countries during World War I. He said that his greatest impression was "how much" citizens have in America in every way, stressing freedom of speech, religion and other strong points of democracy.

During the business session change of meeting was suggested and the group will meet the second Monday of each month in afternoon sessions rather than luncheon meetings in the future. March 9 was set as the next meeting date.

The February meeting will take the form of the Lincoln banquet when Pro America members join with the Republican club in the annual banquet Feb. 12. At that time Pro America members will invite a senior student from Medford high school to be their guest at the Lincoln banquet. The Gettysburg address will be given by a member of the senior class.

by the H. E. C. chairman, Mable Stanley.

Grange installation of county-wide scop was held at Central

Point Dec. 28. Lake Creek Grange officers were all installed except one, who was unable to attend.

Lake Creek Grange extends its deepest sympathy to Sister Mary Moore and family over the loss of their beloved husband and father. The graveside services were conducted by Chaplain Claus C. Charley, Master Myrtle Charley and members of the Lake Creek Grange. Brother Russ Moore's death has caused a grievous loss to our Grange. Although the Russ Moores lived many miles from the Grange hall they rarely missed a meeting during their many years as members. Russ Moore and Mary Moore are past masters of the Lake Creek Grange.

Next meeting will be Jan. 8. The newly installed officers for 1942 will take the chairs.
