

DEATH COMES TO JOSEPH H. NEWTON

Joseph Harold Newton passed away at his home, 415 Maple Park Drive, this morning at 5 o'clock. He has been ill for some time but his passing was quite sudden and unexpected among his friends.

He is survived by his wife, Bertha Shaver Newton, and two daughters, Helen Oaks of Saskatoon, Saskatchewan, Canada and Eva Thomas of Paradise Valley, Alberta, Canada. His son, Harold James, died in the service of his country during the World War.

Mr. Newton was born December 5, 1866, in Vankleek Hill, Ontario, Canada. He was the youngest of a family of three brothers and a sister. His two brothers, James D. and Alvin Newton, and his sister, Mrs. Horace Church, are living at Pembroke, Ontario, Canada.

He was a carpenter by trade and moved to Medford in 1924. He was a member of the First Christian church and has a host of friends in the community.

Funeral arrangements are being made by the Perl Funeral Parlors and will be announced later.

LONG TIME WOMAN RESIDENT PASSES

Mrs. Emma Gagnon passed away at a local hospital late Thursday evening at the age of 87 years. She had been a resident of Medford for the past 35 years.

Mrs. Gagnon was born in Moose Creek, Canada, coming to the United States with her husband, the late Joseph Gagnon, in 1907.

She is survived by an adopted daughter, Dame J. Battiste Caumont, and two brothers in Canada, two half-brothers, Ernest Clement of Medford and Peter Clement of Klamath Falls, Ore.

Funeral services will be conducted from the Sacred Heart Catholic church on Monday morning at 9 o'clock, Rev. Father Francis W. Black officiating. Recitation of the Rosary will be held at the Perl funeral home on Sunday evening at 8 o'clock. Interment will take place in the Medford I.O.O.F. cemetery.

MUSTARD KING DEAD
London, Jan. 16.—(AP)—Sir Jeremiah Colman, known as "the mustard king," died today in his home in Surrey. Sir Jeremiah often told friends his vast fortune was made "not by the mustard people ate but by the mustard left on their plates."

4 LOCAL STUDENTS IN MASTER DANCE

Four University of Oregon students from this city will appear in the Master Dance recital to be held at Medford high school in the boys' gymnasium Monday at 7:45 p. m. No admission will be charged for the recital which is sponsored by the Girls' League. All former Medford high school students, Helen Smedley, Merlin Dow, Bob Forsyth and Elise Older were selected for membership in the dance honorary at the Eugene campus for outstanding work in modern dance.

The 24 students appearing in the public concert are expected to arrive here Sunday afternoon and after a light workout at the gymnasium will be housed by members of the Girls' League during their short stay in this city. Director of the dance group is Mrs. Pirikko Proecker and musical director is Mrs. Kay Holman. Tom Hardy heads the dance group as president and the dance honorary on the campus has the unique distinction of being the only dancer organization in the United States with a man as president.

Fix Up Bad Walks, And Remove Rubbish

Fred Scheffel, city superintendent, today called attention to the fact that many sidewalks have raised or broken from tree roots during the cold and wet weather, and requested owners to repair their bad walks before material and labor suffers a shortage.

The city superintendent also suggested that citizens remove any rubbish or piles of cans they may have left in alleys during the past few months in order that Medford may present a spic-and-span appearance for the influx of persons expected in the near future.

They thanked us for the suggestion! Yes, many mothers told us we had helped materially with the children's breakfast and lunch problem when we suggested Vitamin enriched, nourishing sweet rolls.

They told us that children who usually just minced at breakfast ate heartily. Others told us that the children who carried lunch to school never brought the rolls back uneaten.

Always a fine variety at either Groceteria.

Super Meat Markets The Kind of Meat You like to Eat

Are Meat PRICES Really Higher Than in the Good Old Days?

"I can remember when I could buy good steaks for 10c a pound," said one of our "good old days" customers. "That's right—so do we," we answered, "but how much more than 10c an hour did you earn?" "Well I'll be danged!" he said. "That's just what I got. Shucks, figuring against hourly wages, meat was higher then than it is now. Give me a couple of nice steaks." The Government reports retail food prices up 17%—the national income up nearly 40%. Relatively, the picture isn't so bad!
