Billy Hulén Says:

One-Deep Eleven Is Forecast For Tornado In 1942

Russ Acheson took time off from talking basketball the other day to discuss briefly the 1942 Medford high football situation, as it appears to him at this time.

"The way it looks now I believe we will have a pretty good starting eleven, but will be handicapped by a lack of experienced reserves," said the fellow who moved up to fill Bill Bowerman's shoes when the latter was called to active army duty.

Although five regular line-men are due to be graduated this spring and another, tackle Bud Mayfield, a junior, has moved back to California and won't be available, Acheson figures the non-senior reserve forwards of the past season will take care of the advanced posts in good style. Stan Smith, tackle, is the lone regular line-man slated to return.

In the backfield, Cliff Jones, fullback, will be the only returning starter. But here, again, Acheson is of the opinion that reserves of last year will prove capable of moving into posts vacated by Wray, Orr and Stead, all graduating, thus forming a fairly-potent quartet of first-line attackers, though without experienced youngsters.

Will Acheson continue to use the T-formation? Yes, that's his plan now. And, will he keep on employing the Notre Dame box? Well, he isn't yet certain, and won't be until he gets a first-hand look at the calibre of material turning out next autumn.

"I've been thinking some of trying the Warner double-wing," Russ said, "but that will depend on whether we have the proper backfield personnel. The same with the Notre Dame box. It will all depend on how the backs shape up when we start pre-season practice."

Forrest (Skeet) O'Connell, former Ashland high coach who shifted to Corvallis to handle basketball in 1940, has made another move. . . he has resigned to accept a position as head basketball coach at Yuba City, Cal., high school at a reported \$600 a year increase over the salary he was getting at Corvallis. . . Frank Ramsey, Corvallis grid mentor, will handle the Spartan engers for the remainder of the season.

Because of the automobile and tire rationing, Lou Sauer, 1941 Crater manager, fears the Oregon State league won't be in operation the coming season. . . due to financial reasons, the State league clubs do all their traveling by private auto and Lou is of the opinion that by summer the baseball teams will have pulled in their belts to the extent

of not making those long road trips. . . Medford's Bob Newland has been suffering from a throat infection which kept him out of action for several weeks, but has now returned to the University of Oregon varsity basketball squad. . . Bob dropped from 187 to 145 pound, while fighting the ailment. . . big league hockey players, according to Denny Edge, draw an average of from \$3,000 to \$4,000 a year. . . players in such a loop as the Pacific Coast Hockey league, now defunct, drew down between \$40 and \$80 a week, said the manager of the Medford Ice Arena.

MARSHFIELD HERE SATURDAY NIGHT FOR RETURN TILT

Undisputed District Leadership At Stake In Ashland Game—Tigers Ready.

Games This Week-End Tonight—Medford at Ashland, Grants Pass at Roseburg. Saturday night — Marshfield at Medford (non-district).

Undisputed first place in the district 4 basketball place will be at stake tonight when Medford's Tigers invade Ashland to exchange field goals with the favored Grizzlies in the Ashland junior high gym. The game will start following a 7:15 o'clock preliminary between sophomore teams of the two locals.

Saturday night, the Bengals will play a return engagement with Marshfield high in the local gym. In their first meeting at Marshfield the Tigers walked off with a 48 to 26 victory. The game will follow a preliminary slated to start at 7:30.

Coach Russ Acheson, whose Medford club has won three of five starts this season, plans to open the critical Ashland fracas with Captain Hank Herman and Darrell Monteith at the forwards, Bill Wall at center and Don Fawcett and Lee Reynolds at the guards.

Ashland Favored Jerry Gastineau's Grizzlies, odds-on favorites to capture the district crown and enter the state tournament, will have Charlie Jandreau and Bud Provost at the forwards, Rath at center and Riggs and Fowler at the guards.

Acheson said the Tigers were all in fine shape for the game and that their ball-handling had improved since Tuesday night, when they defeated the Grants Pass Cavemen, 34 to 27. Ashland walloped the Cavemen, 35 to 11. Medford's biggest job appeared to be stopping Jandreau from running wild as he has done in Ashland's last three games. The Grizzly flash has tallied 51 points in his last three appearances.

The two teams are tied for first place in the district chase, Medford with one win and no losses and Ashland with two victories and no defeats.

In another district game tonight, twice-beaten Grants Pass will travel to Roseburg to face the once-defeated Indians, defending champions.

ZVIC, ROBINSON TO MIX TONIGHT

New York, Jan. 16.—(AP)—Some time between 10 and 11 o'clock tonight, Eastern Standard time, fearless Fritzie Zivic is going to find out whether it's chicken or feathers from now on in his career of cauliflowering ears.

No one knows better than the youngest of Pittsburgh's five flying Zivics of sock that another beating at the hands of Ray Robinson, Harlem's skinny hammer, in Madison Square Garden will just about wash Fritzie up on the big time.

And, since he has become quite fond of steaks and sedans after his years on coffee-and-cakes and a peanut truck, Zivic has worked himself into shape to go the full 12 rounds against the Negro youngster who has been unbeaten in his 26 outings since he cashed in his A.A.U. card.

SABIN CONTINUES TO SEMI-FINALS

Coral Gables, Fla. Jan. 16.—(AP)—Francisco Segura, promising young Ecuadorean star, was slated today to return to the courts for action in a quarter-final match against Billy Talbert of Cincinnati in the University of Miami tennis tournament.

Idle yesterday while Talbert advanced with an 8-6, 6-0 victory over George Parks, Miami, Segura was expected to have little trouble in moving on toward the semi-finals.

Top-seeded Wayne Sabin of Reno, Nev., and Gardner Mulloy of Miami already have completed their quarter-final matches, Sabin ousting young Billy Gillespie of Miami 4-6, 6-4, 6-2, and Mulloy winning over Jerry Crowther of Los Angeles 6-0, 7-5.

THREE HOMES BURN Tillamook, Jan. 16.—(AP)—Fire yesterday afternoon destroyed three homes, a garage and a new automobile in the Hatlaway Mead suburban district east of here.

President Personally Urges National Game to Continue

Washington, Jan. 15.—(AP)—President Roosevelt, a baseball fan from way back, urged today that the national sport be kept going during the war.

This was his personal rather than official point of view, expressed in a letter today to Kenesaw Mountain Landis, baseball high commissioner, who had written on January 14 inquiring what the president had in mind regarding continuance of professional baseball in wartime.

Mr. Roosevelt pointed out that fewer people would be unemployed, that the people would be working harder and longer hours than ever before, and hence should have an opportunity for recreation taking their minds off their work.

He suggested, too, that there be more night games because they would give day workers a chance to see an occasional contest.

Mr. Roosevelt said that 300 teams, using 5,000 to 6,000 players, would be a definite recreational asset to at least 20,000,000 people and in his judgment this was thoroughly worth-while.

HUSKIES INVADE FOR FOUR GAMES

Seattle, Jan. 16.—(AP)—The University of Washington cagers, high on the crest of a 10-game winning streak, will trundle into Eugene today for first of two attempts to break Oregon's traditional jinx on the Huskies. The second game will be played tomorrow night.

Although the Huskies were the sensation of pre-season games in the east and took two straight from Idaho last weekend, it is still a mute question whether Washington can dump Oregon. The Webfeet split their series with a powerful Washington State squad.

With a one-day rest after the Oregon series, the Huskies will tangle with Oregon State at Corvallis Monday and Tuesday.

CLASS B QUINTS TO PLAY TONIGHT

All 12 teams of the Southern Oregon class B high school basketball conference are scheduled for action tonight as both the northern and western divisions of the loop swing into the third rounds of their championship races.

In the northern sector, St. Mary's of Medford will travel to Prospect, Sams Valley will play at Talent and Butte Falls will move to Eagle Point.

Western division tilts will find Phoenix playing at Central Point, Gold Hill traveling to Rogue River and Kerby entertaining the undefeated Jacksonville Redskins.

All games are slated to start following 7:30 preliminaries.

Refund On Rose Bowl Tickets Are In Mail

Corvallis Jan. 16.—(AP)—Refund checks for tickets to the unplayed Pasadena Rose bowl football game are in the mail, OSC Athletic Director Percy Lacey said today.

Thousands of dollars worth of orders had been received when the game was transferred to Durham, N. C., because of army restrictions on west coast crowds.

UNKNOWN UPSETS HOPPE, 50 TO 39

Chicago, Jan. 16.—(AP)—Willie Hoppe had a hunch he might lose a match in this year's world three-cushion billiard championship tournament. But he probably didn't suspect he was going to lose to Art Rubin.

Neither did Art Rubin. Perhaps that was the story of the upset last night. Hoppe the champion, keyed against a stiff field of nine opponents, said before the meet opened that his game appeared good—and he proved it by taking his first two matches. Art Rubin, the Brooklynite, lost his first four, but when it was time to take his bumps from the champ he didn't bump. The score was 50 to 39.

OMLID FAMILY BROKEN UP BY WAR; 2 ENLIST

Engene, Jan. 16.—(AP)—Eugene's noted golfing family—the Omlids—has been broken up by the marines Ken and Lloyd, two of the five golfing sons of Mr. and Mrs. Charles Omlid, enlisted in the marine corps this week. A third son, Erling, has left Eugene to take a position in Portland.

FISHING FAIR

Portland, Jan. 16.—(AP)—The state game commission's fishing bulletin said today that angling in coastal streams should be fair this week-end. Striped bass fishing in Coos bay continues fair.

Netherlands Indies has an estimated population of nearly 70,000,000 persons, including more than a million Chinese.

AMATEUR GOLF IS CURTAILED DUE TO WORLD CONFLICT

New York, Jan. 16.—(AP)—Goldfom, like other war-confused sports, doesn't know exactly what it will or can do in 1942 but it does know exactly what it is not going to do.

It is not going to determine the national open, amateur public links and women's champions although by sectional and invitational meets it hopes to surpass the estimated 63,406,000 rounds played in 1941.

Despite the United States Golf association's action in calling off its four major tournaments, the professional's group will decide its 1942 king some time this summer on a course still to be selected.

Joe Dey, executive secretary of the amateur combine, says the championships were not cancelled because of any pressure or lack of equipment. He explained the association's officers felt the title would be hollow glory, with most of the better shotmakers in the service or too busy with defense work.

ROSEBURG PLAYS JUNIORS TONIGHT

Coach Norm Worthley's Medford junior high basketball team opens its home season tonight in the local junior high gym against the Roseburg Juniors. In a 7:30 preliminary, Coach Don McKenzie's eighth graders will face Oak Grove.

The local juniors will open the game with Plasket and Bruegger at the forwards, Stacy at center and Weatherford and Fawcett at the guards.

In their first game, the Bulldogs dropped a one-point decision to the Ashland Juniors, so will be attempting to break into the win column tonight.

BY NELSON LEADS IN OAKLAND OPEN

Oakland, Cal. Jan. 16.—(AP)—Ten years a contender and never a winner, Byron Nelson battled par and a California winter golf tournament jinx today as he teed off leading the field in the second round of the \$5,000 72-hole Oakland open championship.

The big boy from Toledo, Ohio, who has won U. S. open and P. G. A. titles during his sparkling career, started the second eighteen with a stroke advantage. He led the opening round with a three-under par 67 for the Sequoyah course.
