

### JACKSON COUNTY WOMEN TO MEET HERE JANUARY 28

House To House Canvass Will Start Feb. 16— Name District and County Chairmen.

Women of Jackson county will complete arrangements for "all-out" participation in the program intended to make Oregon the first state in the union to inaugurate a house-to-house canvass of "womanpower," to be available for employment in office, factory and field when—and if—an acute labor shortage develops as the result of men being drawn into heavy defense industries and military services.

A county-wide mass meeting of all women's organizations, clubs, auxiliaries and other groups will be held in the court house auditorium on January 28 at 2 o'clock. Mrs. Sadie Orr Dunbar, state director of the Oregon board for Mobilization of Women and honorary president of the General Federation of Women's clubs, will preside.

Mrs. Leonard Carpenter appointed by Governor Charles A. Sprague to the State Sponsoring committee and named chairman of the Jackson county organization, will participate in the effort to secure the full cooperation of women's groups in the door-to-door interviewing, scheduled to begin February 16, of all women above the high school level. All women will be registered, including those of other nationalities.

In general, women will not be called until all available Oregon manpower has been utilized to its fullest extent.

Naturally women listed in employment offices are now seeking work and women displaced by priorities unemployed will be among the first called. Experience, skill, domestic status, personal responsibilities and many other factors will be considered when calling women into active duty.

Distinction is drawn between the mobilization of women program and the variety of civilian defense organizations. The registry of women's skill will be placed at the disposal of the employment service, and if women are called for emergency work they will be fully paid according to union standards. Volunteer civilian defense workers serve without pay.

Additional information concerning any phase of the mobilization program may be secured from Lewis Ulrich, office manager of the employment service.

Medford district chairmen are: Mrs. Aletha Vawter, Mrs. T. W. Miles, Mrs. D. F. Newton, Mrs. Harry Rinabarger, Mrs. Henry Norwick and Mrs. O. J. Halboth.

The county chairmen so far confirmed are: Rogue River, Mrs. Cloyd Dick; Central Point, Mrs. John Holmer; Phoenix, Mrs. Stewart Porter; Ashland, Mrs. Earl Leever; Table Rock, Mrs. R. F. Baker; Jacksonville, Mrs. H. K. Hanna; Eagle Point, Mrs. Annie Clave; Lower Applegate, Mrs. Helen Davis; Talent, Mrs. Gertrude Ottinger; Butte Falls, Mrs. E. W. Robert Taylor, Adams, chairman of the Oregon board, has been notified to use the new name and to take the lead in forwarding the wartime food production program. The state and county boards are also concerned with shortages of farm materials, machinery and labor.
