Master Dancers Will Present Public Recital at High School

The Master Dance recital to be presented at Medford High school in the boys' gymnasium tomorrow night at 7:45 o'clock by a group of University of Oregon students, brings to Medford one of the outstanding public recitals to be viewed in this city during the winter season. The participants are well trained in their field of modern dance. They offer an opportunity to enjoy an evening of near professional entertainment in a field that is seldom available to southern Oregon residents. There will be no admission charge.

The organization at University of Oregon is formed of students, who during their college careers, do outstanding work in modern dance, not only in their demonstration of technical skill but originality in dance composition. Local residents had an opportunity to enjoy a professional troupe of modern dancers several years ago, with the appearance in this city of Ted Shawn and his followers.

These campus dancers, among which are four Medford students, Merlin Dow, Elise Older, Helen Smedley and Bob Forsyth are directed by Mrs. Pirikko Proecker, who is beginning her fifth year at the Eugene university. She is a student of Bennington School of Dance at Bennington college in Vermont. With the able instruction of Mrs. Proecker and headed by Tom Hardy, president, Master Dance this year is enjoying one of its most successful seasons according to advance reports. Music director is Mrs. Kay Holman.

The program is being sponsored in southern Oregon by Girls' League of Medford High school with Miss Jeanne Smith as president and Miss Sue Mosherberger as adviser. The dancers arrive this afternoon and after a light workout at the gymnasium will be housed by members of Girls' League during their Medford stay.

M. M. DEPT. STORE Suggestions for the CARE OF HOSIERY.

CAUTION: Because of conditions which have grown out of the National Emergency, hosiery manufacturers do not now have the same freedom of choice of materials from which to make stockings. This means that more than usual care should be exercised in the use of your silk, nylon or rayon hosiery. Please observe the following suggestions:

1. Where hosiery is composed of more than one type of fibre, it is important that sufficient time be allowed for complete drying of all fibres after washing.
2. Do not hang stockings over a line to dry. Lay them flat upon a turkish towel in a room which is heated, or where there is a current of air.
3. When laying hosiery out to dry, a piece of white blotting paper placed inside the rayon tops will aid in the absorption of moisture.
4. Rayon tops may be pressed with a WARM iron to expedite drying, but CARE MUST BE TAKEN TO AVOID THE USE OF A HOT IRON.
5. Great care should be used in washing hosiery. Use warm water and a little good soap. Do not scrub or twist delicate stockings.
6. Use ROYAL RINSE for Easy, Safe Washing.
