

## RALLY IS SLATED IN MOBILIZATION OF WOMANPOWER

Meeting at Courthouse Wednesday Will Draft Final Plans For County Census.

Final plans outlining the role Jackson county is to play in the first statewide mobilization of "womanpower" in the United States will be drawn at a mass rally of representative county women in the courthouse auditorium, Wednesday at 2 p. m.

Mrs. Saldie Orr Dunbar, state director of the Oregon Board for Mobilization of Women and honorary president of the General Federation of Women's Clubs, is scheduled to meet with the divisional chairman earlier in the day in order to complete preliminary arrangements.

A strong, smoothly-functioning organization already has been developed in cooperation with federal and state employment service agencies under the state leadership of Mrs. Dunbar, and the local supervision of Mrs. Leonard Carpenter recently appointed to the state sponsoring committee by Governor Charles A. Sprague, and also named county chairman of the Board for Mobilization of Women.

**Much Aid Needed.** Although the house-to-house campaign to register the present or past work experience, training or vocational preferences of all adult Oregon women will not begin until February 18, the large problems demand detailed attention in advance. Every active women's organization in the city and county is expected to play an important part when the door-to-door canvassing begins the registration of all women above high school level.

Announced purpose of the inventory is to create a vast new reservoir of skilled, semi-skilled and "trainee" womanpower, available as substitutes

for men if, and when, an acute labor shortage develops as the result of workers being drawn into military service and heavy defense industries.

Commenting on the program, Mrs. Carpenter drew a distinction between the pending inventory of women's vocational skills and the various civilian defense organizations.

**Paid If Needed** "The registry of women's vocational skills will be placed at the disposal of the employment service," she explained, "and if women are called for emergency work they will be fully paid in accordance with union standards. Civilian defense workers volunteer their services."

Abilities of the women registered will fall into four main classifications: women with skills more important than the work they are now doing, women who have secondary skills that may be developed when needed; women with potential skills who are willing to be trained in vocational work, and women who may fit into places vacated by men called into heavy defense industries or military service.

Some 4,000 trained interviewers will begin the house-to-house canvassing February 16, and it is hoped that the inventory data for the entire state may be collected by the end of the month.

"If the inventory is successful, it may be used as the pattern for other states from Boston harbor to the Golden Gate," Mrs. Carpenter said.

Just when women will be called into emergency jobs in the state's offices, factories and fields, if at all, depends largely upon changes in the accelerated American defense program, and the expansion of the military forces.

The Mesdames Dunbar and Carpenter urged that all women's organizations, clubs, auxiliaries and other groups be represented at the mass meeting Wednesday. Further information about any phase of the women's mobilization project may be obtained from Lewis Ulrich, office manager of the employment service.

## Carpentry Classes To Be Held Nights At J'ville School

Jacksonville, Jan. 24.—(Spl.) Night school classes in carpentry will begin Tuesday, January 27, at the Jacksonville high school.

The classes, under supervision of the division of vocational education of the state board of education, are carried on to provide carpenters for the cantonment.

Classes will meet between 7 and 10 p. m. daily from Monday to Friday. Any man between 17 and 25 years of age in Medford, Central Point, Griffin Creek, Ruch or Jacksonville is eligible to take the course. Anyone interested in the course should contact the Jacksonville high school before the opening date.

Chester Pursell of Jacksonville has been selected by the division of vocational education to conduct the classes.

**AXIS PLANES SMASHED** San Francisco, Jan. 24.—(AP)—Australian planes, cooperating with allied fighters and bombers, smashed an enemy concentration of 400 transport planes in Libya, the Australian radio claimed today in a broadcast picked up by CBS.

**CHROME HEARING** Portland, Jan. 24.—(AP)—John F. Norton, head of the mining division of the Reconstruction Finance Corporation will attend a meeting at Grants Pass February 2, and Earl K. Nixon urged Oregonians interested in cromite production to attend.

The coffee plant is expected to furnish perfume as well as drink during the World war.

The More Stamps You Buy,  
the More Planes Will Fly

"War costs money! Billions of dollars are needed NOW to purchase planes, guns, tanks. The money must come from all of us voluntarily, because that is the American Way. Let's show the Boys that we're behind them—volunteer your dimes and dollars for duty now! In time they'll all come back to you, with interest, for that, too, is the American Way."

## BACK UP THE BOYS BEHIND THE BOYS

Tell your MAIL TRIBUNE newspaper boy to deliver 10-cent Defense Stamps to your home regularly, every week

To make it easy for you to buy 10-cent Defense Stamps regularly, the carrier boys of this newspaper have volunteered as Official United States Defense Agents in the sale of these Stamps. In other words, your carrier boy is authorized to take your order for the number of Stamps you want each week and to deliver them direct to your home.

Fill out the order form below and give it to your carrier boy. With your first Stamps, you will receive a free album in which to paste them. When

the album is filled it will contain 167 10-cent Defense Stamps and can be exchanged with 5 cents for an \$18.75 Defense Bond paying \$25.00 when held to maturity.

If you have already given your order, now is the time to reconsider the number of Stamps previously ordered and increase it to the limit of your powers. Remember that bombs are falling on American land—that American men, women, and children are dying that America may live. For all of us the hour of destiny has struck. Give our armed forces the guns and ships and planes they must have to crush the enemies of freedom and guard your life, your home!

Remember your newspaper carrier is an Official U. S. Defense Agent—volunteer his services, without remuneration.
