

SALVATION ARMY SEEKS DONATION OF RELIEF ITEMS

A woman with a small baby in immediate need of a baby buggy so that she might take her child with her when she goes shopping or leaves home for any other reason, Adjutant Charles K. Cox, head of the Salvation Army here, said today, explaining that the woman's husband was in the army. Any one having a baby carriage to donate may leave it at the Salvation Army, Bartlett and Fourth streets, or telephone 4230 and it will be picked up.

There is also urgent need for several mattresses, a three-quarter bed, spring and mattress, a woman's coat size 44 or 46 and any other clothing or canned fruit or other canned food that can be spared, Adjutant Cox stated.

The adjutant said the relief load of the Salvation Army had increased tremendously, the men's dormitory being filled practically every night, with as many as 16 being fed daily at breakfast. Destitute families, seeking work on the cantonment, are arriving daily, Adjutant Cox said, citing as a typical example a family of husband, wife and four young children who hitch-hiked here and arrived without a solitary cent. Any assistance in meeting this increased relief load will be appreciated by the Salvation Army, he stated.

WEATHER BENEFITS NOTED IN CROPS

Present weather conditions are favorable for crops, County Agent Robert G. Fowler said today. Rural areas have started to "green up," and new growths are coming along, including new grass. He also reported the season was a little late compared with last year. Buds in some orchard districts have started to swell.

The county agent said three or four warm days were needed

Start right in tomorrow morning and take 1/2 teaspoonful of this gentle excitant in a glass of water (hot or cold) half an hour before breakfast, and keep this up for 30 days.
