

WOMEN TO FORM MOTOR CORPS AS DEFENSE PHASE

Mrs. Jack Morrill, Mrs. Corbin Edgell, Mrs. Gordon Green Lead Movement.

Under sponsorship of the Jackson County chapter of American Red Cross a women's motor corps is being organized. Mrs. Jack Morrill has been appointed captain, Mrs. Corbin Edgell, adjutant, and Mrs. Gordon Green, lieutenant.

For the benefit of those interested in enrolling in the motor corps an information desk is to be located on the mezzanine of the Hotel Medford for the rest of the week from 10 a. m. until 4 p. m. daily. Enrollment probably will begin at the close of the week.

Those in charge pointed out it is necessary for enrollees to have their own car and furnish gasoline. They must have taken or take a first aid course and also complete a required course in motor mechanics, the latter being organized soon.

Other requirements include age, 20-50, must agree to give required number of hours service a year, furnish two character references, doctor's certificate of health, hold an automobile driver's license, carry in her car a first aid kit, pledge herself to respond willingly and promptly to calls for service in connection with the corps; drive carefully and alertly and know and comply with traffic rules and regulations.

The corps will function under the Red Cross chapter and will cooperate in necessary projects of the civilian defense program, as well as Red Cross activities.

FIRST TRAIN USES PIT RIVER BRIDGE

Redding, Calif., March 16.—(AP)—A 40-car Southern Pacific freight train rolled along track suspended 500 feet above the canyon-walled Pit river yesterday, and so inaugurated service over the highest double deck bridge in the world.

The train, which also for the first time covered the 30 miles of new mainline track from Delta to Redding, crossed over the lower deck of the bridge. The upper level, four lanes wide, will carry highway traffic when its approaches are completed, probably by summer.

Both the bridge, 3,588 feet long, and the road and railway relocation projects are by-products of Shasta dam. The old routes, deep in the canyon, will be flooded by the water dam will retain.

Medford Students in Willamette Program

Willamette University, Salem, March 16.—(Sp.)—Six students from Medford will participate Saturday night in Willamette university's centennial Freshman Glee, the 34th annual interclass song contest. They are Helen Chirgwin, George Coddington, Jr., Cliff Fanger, Jacqueline McBee, Patricia Short, and Jean Wing.

Saturday night's presentation before a gymnasium crowded with reminiscing alumni, proud parents and friends, trustees and faculty, will climax days of marching drill and song practice. Each of the classes in turn will march onto the platform in an original formation and present a song written by members of the class.

9 LOG TRUCKERS ASSESSED FINES FOR OVERLOADING

Nine logging truck drivers, charged with operating on the Crater Lake highway with overloads, entered pleas of guilty in justice court last Saturday and were fined a flat rate of \$2.50 and costs amounting to \$4.50, and an additional 10 per cent of the amount of their overload, by Justice of the Peace W. R. Coleman.

Heaviest fine was paid by George L. Roberts, of Roseburg, with an overload of 12,370 pounds. It was \$19.30. Next was Raymond C. Laurance, Agate, with a 11,500-pound overload, for a total of \$18.50. Others fined plus the overload penalty were K. W. Griffiths, Prospect; David W. Bradley, Talent; \$8; Guy Ellison, Medford, \$9.80; Chester E. Carter, Medford, \$14.40; Woodrow Wilson Atwood, Medford, \$14.40; C. E. Carter, Philomath, \$16.40; and Bert Ellis, Medford, \$14.20.

Scheduled to appear today and tomorrow were Richard I. Wagner, Medford, two complaints; Ralph W. Sikes, Ashland, two counts; John C. McGraw, Prospect; Frank C. McNamara, Central Point; Henry T. Slagle, Talent; Lyle M. Russell, Prospect; Jacob G. Myers, Shady Cove; Wendell O. Sears, Shady Cove; Gilman Stauffer, Medford; and Roland R. Todd, Medford.

The complaints were filed after weight agents of the state highway commission operated for several days on the Crater Lake highway. It was reported that if night hauling continued weight agents would check the drivers, both night and day.

State and county authorities said the check and court action were taken as a means of curbing damage due to heavy traffic on the highway.

YOUNG TRANSIENT ADMITS BURGLING GROCERY STORE

Elzy Gene Morgan, 17, who gave his home address as Dufur, Ore., was to be arraigned in justice of the peace court this afternoon on a charge of burglarizing the Anderson Thrift store, 710 South Riverside avenue, about midnight Sunday.

Arrested by city police at the corner of 12th street and South Central avenue, Morgan allegedly admitted in a signed statement that he stole \$8.50 in food stamps, a \$5 defense stamp and a one dollar bill from the cash register, and a pair of leather gloves, a carton of cigarettes, a tooth brush, a tube of tooth paste and several packages of gum.

Morgan said in his alleged confession that he came to Medford Saturday night. He said he effected entrance to the market by prying the screen and padlock off the front door with an iron bar he found near the railroad tracks.

Robert William Speer, 21, another transient taken into custody with Morgan, was being held for investigation. Morgan said he gave Speer the carton of cigarettes, telling him he purchased it.

Federal Income Tax Estimate Is Higher

Portland, March 16.—(AP)—The deadline fell for first payments on the federal income tax today and J. W. Maloney, collector of internal revenue, predicted an almost trebled return in Oregon.

He said 122,983 persons filed reports last year, paying \$7,100,000 in taxes. He estimated 250,000 would file this year, paying between \$20,000,000 and \$30,000,000.

Most fish are either dead or dying when found on their backs; the catfish of the African swamps is an exception as it will swim upside down.

GUN STORES GET FREEZING ORDER

Hardware and sporting goods stores of Medford were in receipt of a government order freezing the sale of new firearms of all types, to become effective immediately.

Vern Van Dyke of Lamport's said the freezing order included new pistols, revolvers and guns and rifles of all kinds, but not second-hand guns nor ammunition.

The dealers were advised to write to National Defense Chapter, 1-X, War Production Board, Washington, D. C., for information relative to the new guns they have in stock.

DEADLINE NEARS FOR CANDIDATES

Salem, March 16.—(AP)—Secretary of State Earl Snell warned today that 5 p. m. March 30, is the deadline for filing of candidates and statements for the voter's pamphlet for the May 15 primary election.

Oregon voters will nominate candidates for one U. S. senator, four congressmen, governor, secretary of state, superintendent of public instruction, labor commissioner, and three supreme court justices.

In addition, they will nominate 11 circuit judges, 10 district attorneys, 15 state senators, and all 60 state representatives.

SABOTAGE THEORY EYED IN SAN FRANCISCO FIRE

San Francisco, March 16.—(AP)—The theory of sabotage was studied today by FBI agents seeking the cause of a three-alarm fire that caused \$25,000 damage to a warehouse and stored military tractors and hydraulic equipment.

Civilian Defense Activities

The school for instructors in the civilian defense training program will open tonight at 7:30 o'clock in room 24 at the senior high school with Paul R. Washke, professor of physical education at University of Oregon, in charge.

Women's Motor Corps Registration for a Women's Motor Corps will be taken.

Kelly said the blaze started yesterday inside the locked building, and added:

"It is obvious that this was not accidental."

The Latin American stamp section is sponsoring monthly displays of philatelic interest at the Pan American Union building, Washington.

starting Tuesday, on the mezzanine floor of the Medford Hotel, from 10 a. m. to 4 p. m. each day this week through Saturday.

Qualifications include experience in driving and having own car available for call at any time.

The registration is in charge of Captain Mrs. Jack Morrill, Adjutant Corbin Edgell and Lieutenant Mrs. Gordon Green.

It takes high-speed photography to "stop"
Dorothy Lewis's flashing blades, but it's easy
to see her preference for Camels

FASTER than the blink of any human eye, the amazing stroboscopic camera catches film star Dorothy Lewis in one of her brilliant routines on the ice of the Iridium Room in New York's Hotel St. Regis.

DOROTHY LEWIS studied ballet from the age of 4, and her routines on the ice combine the artistry of the toe-dancer with the speed of the skater. Her cigarette combines extra mildness and flavor. She smokes slower-burning Camels.

MISS LEWIS works out her routines first in ballet slippers. Many's the Camel cigarette she smokes as she relaxes. "Yes, I smoke a good bit," Miss Lewis says. "I've found Camels milder by far. No matter how much I smoke, Camels never wear out their welcome."

CAMELS HAVE THE
MILDNESS THAT COUNTS
WITH ME —
LESS NICOTINE
IN THE SMOKE

"The more I smoke, the more I appreciate Camels," says Miss Lewis at a late supper with friends at the St. Regis. "Their cool, rich flavor is all the more enjoyable because Camels are so mild—with less nicotine in the smoke." You, yourself, try Camels. You'll like everything about this slower-burning cigarette of costlier tobaccos. You'll like that grand flavor—and you'll like knowing that there's less nicotine in the smoke (see below).

The smoke of slower-burning Camels contains
28% LESS NICOTINE

than the average of the 4 other largest-selling cigarettes tested—less than any of them—according to independent scientific tests of the smoke itself!
