

SEEK \$1500 FOR CHINA RELIEF IN JACKSON COUNTY

House To House and Business Firm Solicitation To Be Aided By Ministers.

The United China Relief drive opens in this city Monday for the week March 22 to March 28. House to house and business firm solicitation will begin the first of the week in an effort to raise \$1,500 in Jackson county for the relief of the United States' ally in its struggle for freedom and democracy. The county drive is being

sponsored by the Medford Ministerial association and is headed in Medford by Rev. R. W. Coleman and in outlying districts by Mrs. Margaret Fabrick. Actual details of the drive are awaiting the arrival of Dr. Erma Gordon of Portland, who has been a resident of China and has been assisting in the publicity in Oregon.

An experienced social worker, recently returned from China, says, "I don't think there has ever been any place in the world where even a little money could do the amazing amount of good it can do in China today."

Funds will be used for medical aid, hospitalization, food, clothing and shelter, student aid and training, care of children and industrial rehabilitation.

Dogfish formerly considered of no commercial value, are now the principal source of vitamin oils produced in British Columbia.

RECKLESS DRIVING BRINGS \$40 FINE FOR ROY L. HALE

Roy Louts Hale, charged with reckless driving, was fined \$40 and costs in justice court yesterday. Pending payment of the fine and costs, commitment to the county jail was suspended by the court. It was one of the highest fines ever assessed in justice court for a traffic violation.

Hale, it was brought out, was "weaving all over" the Pacific highway while driving a car with six persons in it, in considerable traffic.

Fines were imposed upon logging truck drivers, for overloads on the Crater Lake highway.

No Time Was Lost Here

There was no time lost at the Bethlehem shipyard in San Francisco as the 1,700-ton U. S. Destroyer Frazier was launched and the keel for the U. S. S. Trathen floated into place on the same ways before the Frazier was completely in the water.

The court warned unless the practice ceased, the present fine of \$2.50 and costs, plus ten per cent of the overload, would be boosted.

Those fined were Frederick J. Harvey, Ashland, \$11.20; Bert Ellis, Trail, \$7.80; Guy B. Ellison, Medford, \$7.70; Richard I. Wagner, Central Point, \$8.70; Gilman P. Stauffer, Jacksonville, 8, and W. A. J. Cox, Ashland, \$8.10. It was the second appearance of Wagner and Stauffer on the same charge.

William E. Jackson, cement truck driver, charged with speeding a truck on the Midway Road was fined \$5 and costs.

Mildred Louise Watson was fined \$1 and costs on two charges of having no operator's license, and having no taillight.

K. F. BROTHERS ON ILL-FATED SHIPS

Klamath Falls, March 20.—(P)—Two Klamath county brothers are missing and presumed lost as a result of naval action in the south Pacific, it was learned here today.

The navy department last Saturday notified Mr. and Mrs. Richard Thew of Langley valley that their son, Henry, stationed aboard the cruiser Houston, was reported missing after the sinking of the Houston off Java February 27.

Wednesday, a navy communique announced that the submarine Shark had been overdue 30 days and was presumed lost. Richard Thew, brother of Henry, was a member of the Shark's crew.

TIRE SCARCITY IS BOON TO PETS

Portland, March 20.—(P)—The Oregon Humane society noted with satisfaction today that the tire scarcity was saving the lives of approximately 110 dogs and 100 cats per month in Portland.

Harry Daniel, society president, said 186 pups and 180 felines had gone to their glory under the wheels of automobiles during January. However, as tires become more valuable and speeds lowered in February the animal kingdom lost only 75 dogs and 78 cats.

HERO'S SISTER-IN-LAW CHRISTENS DESTROYER

Kearny, N. J., March 20.—(P)—Mrs. Arthur MacArthur, a sister-in-law of the hero of the Philippines, christened today the U. S. S. McCalla, one of the two destroyers sent down the ways in a twin ceremony at the Federal Shipbuilding and Drydock company yards.

The McCalla was preceded into the waters of the Hackensack river by the U. S. S. Lardner. The ships were launched 20 minutes apart.

Watch factories in Switzerland are curtailing operations because of the war's adverse effect on business, according to the department of commerce.

MOUTHY GERMANS ARRESTED BY F.B.I.

Portland, March 20.—(P)—Three Germans and one Italian were arrested in Oregon yesterday as the FBI continued its raids on enemy aliens.

Howard King, special FBI agent, said a German arrested here possessed two rifles, a shotgun and two cameras.

Unfriendly remarks about the United States led to the arrest of a German at Milwaukie, a German near Tillamook and an Italian here, King said.

Jellyfish Carpet Beach at Seaside

Seaside, Ore., March 20.—(P)—A carpet of decaying jellyfish, miles long and as much as 100 yards wide, edged the Seaside beach today, swept in by yesterday's tides.

They are the sail jellyfish, or Blue Medusa, species. Residents said they had never seen so many on the beach before.
