Academy Students Present Three One-Act Plays

(Contributed)
A large appreciative audience filled the auditorium of St. Mary's Academy to witness the Thursday and Friday night performances of three one-act comedies. The productions were considered outstanding successes and all the young actors won applause and congratulations for their splendid interpretations of the various character roles in the play. The comic situations and the clever repartee were highly amusing and entertaining.

"The Lost Elevator" was especially clever. Parts in this play were ably carried by Louise Lemire, Bernice Nary, Neil Iven, Leslie Corey, John Darland, Rose Widmer, Shirley Crawford, Bill Bauman and Ina Pearl Lucas.

"The First Shave" featured Leslie Corey as "sixteen," Mr. Morton, Joe Doblemeier; Mr. Morton, Shirley Crawford and the provoking "little sister" by Betty Jean Davis.

Taking part in the comedy, "Too Much Bobbie" were Eileen Clausen, Bernice Nary, Margaret McNamee, Louise Lemire, Joan Cox and Katherine Miller, all of whom did excellent character work.

The performance opened with a patriotic sketch "By These Things Men Lived" and closed with a cheer for "Uncle Sam" given by the boys of the junior and senior classes in the new song, "We're With You, Uncle Sam."

P.-T. A. Activities

County P.-T. A. About 250 parents, teachers and friends heard a panel discussion of the immediate need for youth protection in Jackson county at the county council of P.-T. A. meeting held Tuesday afternoon in the Grange hall at Central Point. Mrs. F. W. Blum, Oregon P.-T. A. president and panel chairman introduced the participants.

The council unanimously approved the appointment of a full-time juvenile worker for the county and named a committee to work toward the appointment. The P.-T. A. felt that the need for such protection, which exists in normal times has been greatly increased by war conditions and the sudden growth of population in Jackson county.

Participating in the panel discussion of the subject were Kenneth Wells, Boy Scout executive, Theo. J. Norby, Ashland, school superintendent; Ed Kirtley, representing Leonard Mayfield, Medford school principal; Judge W. R. Coleman and Dr. E. A. Merkel, county health officer, and Clyde W. Fichtner, city policeman.

C. R. Bowman, county school superintendent, explained legislation pending which, if passed, will make it possible to use excess tax income to increase much-needed state aid for schools.

Unit reports showed widespread participation in defense work, such as equipment of first aid stations in the schools, also usual activities of providing hot lunches, summer round-up, recreational facilities and safety measures for children and an educational program for the parents.

Installed as county officers for the coming year were Mrs. A. H. Puhl, president; Mrs. Jay Terrill, Talent, vice president; Mrs. J. W. Johnson, Medford, secretary; Mrs. R. L. Crosby, Ashland, treasurer; Mrs. W. H. Holt, Central Point; Mrs. H. H. Elhart and Mrs. R. I. Flaherty, Ashland, directors. Mrs. Blum of Portland spoke briefly as did Mrs. J. K. Sayre, state membership chairman, also of Portland.

During the noon hour the grade school girls' chorus directed by Mrs. Norman Kerr entertained with three selections and Russell Werner presented a group of upper grade boys in an educational model airplane demonstration. Luncheon was served by the hostess unit, Central Point P.-T. A.

Maybe your chances of buying a new car are better than you think

Here's clarifying information about the rules on the purchase of new automobiles—and how you can get one if you are eligible.

MORE people are entitled to buy new automobiles under Government rationing regulations than may have been generally realized.

Indeed, if you are eligible to buy a new car, and continue to drive an old and inefficient model, you may actually burn up more gasoline, consume more oil and wear out tires faster than is desirable in the interest of conservation of critical materials and supplies.

The principal groups eligible for the purchase of new cars are as follows:

1. Physicians, surgeons, visiting nurses, veterinarians and regularly practicing ministers of a religious faith, when their cars are used for professional purposes.
2. Persons engaged in fire-fighting services, police services, public health services, mail services or highway construction and maintenance of equipment when cars are used in direct line of duty.
3. Persons furnishing transportation to the public, when the purchase is required in the interest of public safety and convenience.
4. Persons engaged in the prosecution of the war, directly or indirectly, including executives, engineers, technicians and workers. Such cars must be used in transportation to or from or within factories, power plants,

transportation or communication facilities, farms, lumber camps, mines, military or naval establishments, when the work done in such place of employment is essential, directly or indirectly, to the prosecution of the war.

5. Persons transporting produce and supplies to and from a farm when applicant does not own or possess a truck or other practicable means of transportation.

6. Traveling salesmen, when the car is required in selling foods and medical supplies or machinery and equipment to farms, factories, mines, oil wells, lumber camps or similar productive establishments.

7. Persons delivering newspapers, when the car is required for wholesale delivery.

The first step in getting a car is to fill out the proper application form, which we will be glad to obtain for you.

It is then necessary only to demonstrate to the local rationing board that your need for a car is bona fide to get a "certificate of purchase" entitling you to immediate delivery on the model of your own selection.

If you have any questions about your eligibility after reading the above list, we will be glad to answer them for you to the best of our ability.

If you're eligible...let us help you
