

Public Playground Open 3 Days Week Under Supervision

The Jackson County Recreation committee and the Work Projects Administration have arranged to have the municipal children's playground at 500 East Main street open between the hours of 10 and 5 each Wednesday, Thursday and Saturday for the rest of the summer.

Two to four women and three junior or senior high school girls assist each morning and afternoon period. A member of the WPA staff is in charge of assigning equipment and assisting in arranging each day's program.

Volunteer supervisors for last week were Mesdames Herold Gardner, Marie Gullett, T. E. May, A. R. Leavitt, George Lewis, Bertha Penwell, Georgia Rohrer, J. W. Graham, Elwood Hedberg, R. Gillespie, William Jones and Miss Meredith Shields, Georgianne Holloway, Audrey Jarmin, Carmen Wright and Norma Stearns.

PLAN RECREATION AT SHADY CORNER

The third recreation program for defense workers is being organized at the Shady Corner trailer camp on Midway road. The program will be for three nearby camps. As soon as the men construct sand boxes and a large equipment box the recreation committee of the organized labor groups will supply the necessary equipment.

The Women's club at their first meeting elected Mrs. Herkie Black, president; Mesdames Blanch Ackerman, vice-president; Shirley Davidson, secretary, and Virginia Quick, treasurer. Mrs. Marjorie Pena, WPA recreation technician, is directing the program.

The women have planned a picnic lunch for Thursday of this week for all mothers and children in the camp.

Until the number of trailers in these small camps has been stabilized and the length of stay of the workers determined, a large recreation center will not be constructed.
