

LOCAL and PERSONAL

Visiting Relatives—Mrs. Lulu Adams of Route 4 left last evening by train for Toronto, Kas., where she will visit relatives.

Completes Business—Ted Kilman returned to Medford by train this morning after a several days' business trip to Portland.

Promoted—Word has been received here of the promotion of Dolph W. Guyer, son of Mr. and Mrs. Roy Guyer of this city, from corporal to sergeant. He is stationed with headquarters company at Pinedale, Cal.

Information Wanted—Anyone having information concerning the whereabouts of Otto William Bahr, formerly of Prospect, is asked to notify the Red Cross office in the county courthouse. The name was erroneously stated yesterday as Baker.

In Bend Jail—State police reported today that Leonard Osborne, charged with passing fictitious checks in this city last week, was lodged in the city jail at Bend. He was arrested yesterday evening, the report stated. Osborne resides at 232 Broadway street, Bend.

Cited To Court—Ernie Walter Malone of the Jackson County Traller camp was arrested by state police yesterday for failure to stop at a stop sign. He was cited to appear in justice court Friday. Kenneth Harry Jones of 512 Pennsylvania avenue was to appear in justice court today, charged with failure to obey traffic signs.

Days Announced—The civilian defense first aid class which was organized at Jackson school last evening will meet Monday and Tuesday from 7:30 until 9:30 p. m. it was announced today. There is room for more members, the instructor Bill Caples reported, and those attending Monday are requested to bring triangular bandages.

Demonstrates—Miss Rose Block, representing the Kurlash Company, Inc., is in Medford until Saturday demonstrating new features of the improved kurlash, kurlene and twissors, manufactured by the company. She may be seen in the cosmetics department of Mann's Department store. Of particular interest is a Kurlash kit. Miss Block plans to return to San Francisco at the end of the week.

New New Instructors—Eleven persons completed the first aid instructors course which was conducted June 8 to June 13 by D. C. Westerhout, representative from the Pacific coast Red Cross headquarters in San Francisco. Those successfully finishing the course were John L. Carlich, Ruby F. Carlich, David Benton Newman, Charles Ernst, Stanley Jones, Marion Borg, Mrs. Anne Carlich, John Gribble, Mrs. John Gribble, Ruth Jewett and Mrs. Helen Pierce.

Returns North—E. L. King, assistant to the vice-president of the Southern Pacific company with headquarters in Portland, returned to Portland last evening by train after spending Wednesday in Medford, Ashland and Grants Pass on official business. Other railroad men in Medford yesterday were George Thomas, traveling freight agent for the Milwaukee railroad and Jack McLaughlin, traveling freight agent for the Illinois Central railroad, with headquarters in Portland.

Pay Fines—Walter E. Bennett and May M. Ayers paid fines of \$5 each in the city police court today for failure to stop at a stop sign. Earl A. Cornell was fined \$5 in city police court for driving an automobile without an operator's license. Alvin Robertson was fined \$5 on a similar charge yesterday. H. Ramstrom, H. L. Ferguson and O. L. Simmonds forfeited \$1 bail yesterday for overparking. Younger and Son were fined \$1 on the same charge. William Luman and William Luman, Jr., forfeited \$1 bail today for overparking.

SCOUTS TO VISIT EVERY HOUSE IN RUBBER SEARCH

Saturday Drive To Bring Out All Small Bits — Stock Pile Now 57,948 Pounds.

Growing by leaps and bounds, Jackson county's stock pile of scrap rubber reached the 57,948-pound mark this morning as plans were completed for an intensive house-to-house canvass by Boy Scouts Saturday for the purpose of collecting every bit of wornout rubber available.

Yesterday's "take" by service stations throughout the county totaled 30,648 lbs., over 10 per cent more than the 27,300 lbs. collected Monday and Tuesday, first two days of the nationwide drive. The largest single collection came from the Crater Lake Motors, who donated 1,000 pounds, most of it old tires, and refused to accept the one-cent a pound the government, through the service stations, is paying for the scrap rubber.

Saturday, Boy Scouts of the county will make door-to-door calls and everybody is urged to request to turn over to them all old rubber articles they no longer need, or any articles they feel they can do without.

Chance For Coin
The committee in charge of the county scrap rubber drive pointed out the opportunity being offered young boys and girls in earning spending money by collecting old rubber and taking it to the service stations. One boy collected 395 pounds, sold it for \$3.95 and now he has spending money and the government has rubber to help win the war.

A suggestion was made by the committee that organized boys clubs launch a drive of their own, collecting the scrap rubber and using the proceeds in any way they see fit, such as giving it to the USO, Salvation Army, Boy Scouts, Girl Scouts, Red Cross or any of the organizations which could use it to benefit the community.

IRRIGATION SITUATION NOW FAIR IN VALLEY

The irrigation situation in the Rogue River valley is fair, Ed N. Judd, manager of the Medford Irrigation district reports. Some irrigation water is now being used.

The rains of May and weather conditions the past three weeks have been beneficial to crops and have forestalled use of irrigation water for several weeks.

STRAIGHT SHOOTING NEW ELK OBLIGATION

Woodland, Calif., June 18.—(P)—There's a new motto in the clubrooms of the Elks lodge here—"You've got to shoot straight."

That's because the Elks turned in to the rubber salvage committee the 10 rubber mats under their spittoons.

Mining Assessment Vacation Approved

Washington, June 18.—(P)—The house voted today to suspend for the duration of the war annual assessment work requirements on unpatented mining claims, on property taken over by the government.

It sent to the senate legislation (HR 6295) introduced by Representative Scrugham (D-Nev) to make such suspension. Mines affected, Scrugham's office said, would be on lands such as those acquired by the war department for bombing ranges, or other purposes.

The annual work requirement already has been suspended through 1943.
