

GESTAPO TO KILL MALE RELATIVES OF TERRORISTS

All Men Over 18 Years Relatives Of Fugitives To Be Executed, French Told.

Vichy, July 13—(P)—The Germans announced today in Paris they would shoot males over the age of 18 years who are members of families of fugitives from German military justice accused of terrorism or sabotage.

This applies to "all near male relatives in the ascending line as well as brothers-in-law and cousins." Women of the same degrees of kinship will be sentenced to hard labor and children of adults thus punished will be sent to reform schools, the announcement said.

A notice issued by the Gestapo director overnight to the press in the occupied area said: "After having observed the attitude of the French population in the occupied zone I have noted that a majority of the population is continuing to work in calm. Terrorist attacks, sabotage, etc., instigated by the English and Soviets are disapproved of and it is known that it is only the peaceable French population which suffers the consequences.

Relatives Blamed
"I am resolved to guarantee to the French population in absolute fashion, in the midst of war, continuation of its work in calm and security but I have noticed that above all it is close relatives who help them before and after the deed.

"I therefore have decided to make use of the most severe penalty not only to strike at perpetrators of terrorist attacks, saboteurs and trouble-makers themselves after they are arrested but also, in case of escape, as soon as the fugitives are known, at families of these criminals if the latter do not present themselves during 10 days following their forfeits to German or French police stations."

Vichy, Unoccupied France, July 13—(P)—French gendarmes joined German police in a pitched battle against defiant, hand grenade-tossing Frenchmen at Houdin, in the Pas de Calais department, reports reaching Vichy said today.

One of the recalcitrant group was reported killed and a bystander wounded before the French and Nazi police stormed the house in which the Frenchmen, described as "communists," were barricaded.

Ten thousand tons of steel went into the metal tops of the 1,000,000 jars manufactured last year to hold cosmetic products.

Wall St. Report

New York, July 13—(P)—A generally lower drift ruled in today's stock market as light profit taking was resumed on last week's big upswing, second best for the year to date.

The encouraging feature of the performance, from the standpoint of bullish forces, was that selling never was of an urgent character. A smattering of modest advances took the edge off the retreat.

HI-Y DELEGATE IS HOME FROM EXTENDED TRIP

Jimmy Elliott has returned to Medford after taking part in the national Hi-Y convention held in Oxford, Ohio, as a delegate from the Medford Hi-Y group. The month's trip included a 10,000-mile tour of points of interest in Canada and the United States. Other delegates from Medford were Charles Braley, Jack Moffatt and Bob Littrell. The group left Medford in June and joined the Portland delegation continuing east to Minnesota, Chicago and into Canada for four days. Among spots visited were Niagara Falls, governor general's house in Ottawa, Montreal, Boston's historic spots; a four-day stay in New York where they met Wendell Willkie, Mayor LaGuardia, witnessed the AAU meet and continued to Philadelphia and a two-day stop in Washington. At the nation's capital they had tea with Mrs. Eleanor Roosevelt, were escorted through the FBI office, senate, met Senator Charles McNary and Vice President Wallace.

An all-night boat ride down the Potomac followed and a visit to the reconstructed city of Williamsburg, cities in Virginia and Ohio, Tennessee, Louisiana, and Texas.

In Los Angeles they visited the Walt Disney studios and witnessed Mickey Rooney performing in a new picture on his set.

Camel Caravan
TONIGHT! Recreation Center

Four Camel Caravans... complete road shows for men in uniform

750 performances to 1,000,000 and more soldiers, sailors, marines, and coast guardsmen as this goes to press

JULY 31, 1941! That's when the Camel Caravans hit the road. And they've been at it ever since: four performances a day in some camps to audiences of 15,000 to 20,000.

Yes, it seems you can't find a military scene anywhere without Camels in the picture... cigarette or show. Or both. And both seem to have won top rating with the

men in all the services. According to applause and letters from morale officers, the shows are a "smash hit!" And according to sales records, the cigarette is a "smash hit," too. The top-ranking favorite in P.X.'s and Canteens.

STEADY NERVES... that's the order of the hour. Whether you man a gun or a machine... whether you sit a jouncing jeep or knit a sweater... you'll appreciate Camels more than ever these days. They have the mildness that counts!

ARMY CAMPS write: "...Express to you thanks for splendid entertainment by the Camel Caravan... production was excellent... Very happy experience to find a 'soldier' show that did not 'play down' to its audience."

Thank you, gentlemen, it was a pleasure and a privilege!

SURE, free cigarettes, as well as a free show, are part of the fun when one of those 4 big Camel Caravans rolls into camp. Camel's famous full, rich flavor, coolness, and extra mildness also "take a bow."

PEACE and QUIET BE THEIRS

Those for whom we grieve know eternal peace—it is those who are left who bear the burden of grief. When you are sorely troubled, won't you let us help you? We can, you know, because of many years of experience in helping others. You may rest assured that everything will be done in the right way, economically.
