This day has been set aside to honor the brave boys of Medford who are fighting now on every battle front to protect our freedoms and the flag we live under. To these brave boys . . . to the heroes of all our wars, we, the people of Medford dedicate American Heroes Day, Friday, July 17th. We pledge that on this day we shall honor our heroes in the best possible way . . . by redoubling our own efforts to win the war . . . by buying U. S. War Bonds and Stamps in record-breaking numbers so

that our boys will have the tools they need to finish the job.

Today, on American Heroes Day, let's show our boys in service a real parade—by making this the greatest one day sale of War Bonds and Stamps in history! Out there in the field, our soldiers need tanks and guns and planes. Don't fail them by giving "too little . . . too late." The time is short. Buy that extra Bond TODAY . . . no matter what else you have to give up. Let's show the world that the people of Medford will give up anything—but freedom! Buy a Bond now, on this special day . . . and then keep buying them every pay day till Victory brings our heroes home!!
