

Whirlaway Cops Massachusetts Handicap to Smash 'Biscuit Mark'

NAG'S WINNINGS REACH \$454,366 FOR NEW RECORD

Whirly Unleashes Stretch Drive To Beat Rounders By Over Two Lengths.

By Bill King
Boston, July 16.—(P)—A stretch-running flash of lightning known as Whirlaway today loomed as the first half-million-dollar winning prospect in the history of the turf.
Fresh from his record-smashing triumph yesterday in the Massachusetts \$50,000-added handicap, Whirly was pointed today by his trainer, Ben Jones, for the \$25,000-added Arlington handicap at Chicago's Arlington park on August 1.
The smashing victory that Whirlaway, owned by Warren Wright, scored in the Suffolk Downs feature boosted the horse's winnings to \$454,366—or \$16,636 more than the previous top earnings mark, amassed by Seabiscuit.

Giving every indication that he must be considered as one of the top handicap performers of all time, Whirly ran a field of six speedy opponents into the earth in almost nonchalant fashion under a smart ride by George Woolf before a crowd of almost 33,000.

Trails At Start
New Englanders, seeing "Mr. Bigtail" for the first time, still were pop-eyed today at the blaze of speed the champion turned on as he headed for the wire to win by about two and a half lengths over the Valdina Farms' Irish-bred rounders.

Whirly broke well and then gave his supporters, who had backed him down to even money, a taste of the jitters by trailing the field by a good 10 lengths for at least half the journey.

Then Woolf gave him the nod and he showed why he rates among the all-time greats. With one burst he jumped up to fourth place and in another moment he was out in front.

He roared down the stretch like a runaway locomotive and flashed across the wire in 1:48 1/5 to crack the track record for the mile and one-eighth distance, previously held by War Relic, by two-fifths of a second. Whirlaway paid \$4, \$3 and \$2.20, Rounders \$6.60 and \$3.80, and Mrs. Parker Corning's Attention, which finished third, \$3.40.

Surprising Beavers Nip Oaks Again, 4-2 On Osborne Hurling

(By the Associated Press)
The Portland Beavers continued their determined efforts to pull themselves out of the Pacific Coast baseball league cellar last night and handed the Oakland Oaks their third straight lacing, 4-2.

The game, a seven-inning affair intended to be the first half of a doubleheader, was featured by two homers, Johnny Gill hitting the round-tripper for Portland and Wally Westlake for Oakland. The second game was called after the second inning.

The Beavers converted four hits into three runs in the second inning to sew up the game, while limiting the Oaks to single tallies in the second and fourth frames. The game was played at Portland.

At Seattle, Rookie Chucker Mike Budnick scored his third straight shutout over Hollywood in less than two weeks with a 3 to 0 nightcap victory after his teammate Hal Turpin won the opener, 2 to 1.

Los Angeles batsmen are threatening to blast the Sacramento Solons out of the top spot in Pacific Coast league baseball and the scene is set for the explosion tonight.

The Angels, who lead the league in base hits, slammed out 15 safeties including two home runs to wallop the Solons, 8 to 4, last night and edge within a half-game of the pacesetters.

There was also some heavy hitting at San Francisco where the San Diego Padres won, 6 to 4, from the Seals in 10 innings.

Big Ed Dudley Substitutes For Snead on Ryder Outfit

By Watson Spoelstra
Detroit, July 16.—(P)—Big Ed Dudley, 40-year-old veteran from Colorado Springs who played with three American Ryder Cup golf teams but never on American soil, gets his big chance this week-end as substitute for Slammin' Sammy Snead in the Red Cross relief matches.

Dudley, originally named to Walter Hagen's challenge squad, was shifted to the coppers yesterday when Snead was unable to arrange leave from the Norfolk, Va., base where he is training with the navy. Sgt. Jim Turnesa of Fort Dix, N. J., runner-up to Snead for the recent National P. G. A. championship, will replace Dudley on the challenge squad.

There were no other changes, although Hagen announced he had received permission from Craig Wood, cup captain, to split a 36-hole assignment with Al Watrous of Detroit in foursome matches Saturday. Singles competition is scheduled Sunday.

Hagen is expected to return from Rochester, N. Y., where his father, William, is seriously ill, before the lineups are announced tomorrow on the eve of the matches. Melvin (Chick) Harbert, winter circuit sensation from Battle Creek, Mich., probably will be held out of four-some play but will replace one of his teammates in the singles.

With ticket sales meeting expectations for \$25,000 in proceeds Fred Corcoran, P. G. A. tournament chairman, said the matches would produce the largest single contribution by golf to charity. Two previous matches here yielded a total of \$30,000.

18 DUELS STAGED IN NET TOURNEY

Tacoma, July 16.—(P)—Unplayable weather conditions which turned the 52nd annual Pacific northwest tennis tournament into a bridge, table-tennis and poker tournament improved sufficiently yesterday to permit playing of 18 matches before again halting proceedings.

Meanwhile, officials announced finally that Jim Brink, top ranking star in junior boys' singles and seeded number four in men's singles would not compete. Failure of the Seattle boy to appear moved Don Harris, Los Angeles junior, into number one spot in junior boys' seedings and advanced Walt Olson of Tacoma to quarter finals in that division.

DODGERS WALLOP CHI CUBS, 10-5 IN BITTER CLASH

Confused Losers Commit Five Errors—Yanks Boost Lead by Blanking Tribe.

By Judson Bailey
Associated Press Sports Writer
Bad blood has been flowing between the Brooklyn Dodgers and Chicago Cubs for two or more years in one of the most vicious feuds in baseball annals and the situation is getting stormier.

Yesterday the boys were so busy throwing bean balls at each other they almost forgot the ball game, but the Dodgers, operating in their element, captured a 10-5 verdict from the confused Cubs, who made five errors and used five pitchers to give 13 hits.

This encounter dwarfed other developments of the day in the major leagues, although Chet Laabs of the St. Louis Browns, currently on a batting spree, attracted attention at Philadelphia by driving in five runs as the Browns beat the Athletics, 7-4, in a night game. He hit a homer, his 13th of the year, with the bases loaded in the second inning and then in the third frame lined to the corner of center field in Shibe park and was thrown out at the plate trying to get four bases on it.

Four-Hitter
The New York Yankees extended their American league lead to 6½ games by scoring their second straight shutout, 4-0, against the Cleveland Indians on the four-hit hurling of Alcy Donald.

The Boston Red Sox split with the Chicago White Sox. Tex Hudson beat unlucky Ed Smith in the opener, 10-1, for Smith's 15th setback. Then the Chicks took the nightcap, 11-6, although Ted Williams hit his 19th homer.

Washington noosed out the Detroit Tigers, 4-3, in 11 innings in a night game.

Rip Sewell pitched six-hit ball and Vince DiMaggio hit a three-run double to spark Pittsburgh to a 6-2 triumph over the New York Giants. The St. Louis Cardinals swept a doubleheader from the Phils, 7-3 and 9-4.

Cincinnati and the Boston Braves divided their double bill, with Bucky Walters winning the opener for the Reds, 6-2, on five-hit pitching and Manny Salvo retaliating with a seven-hit performance as the Braves bagged the second game, 7-2, with Clyde Klutts batting in three runs with a double.

REQUESTS BEING FILED FOR ELK, ANTELOPE TAGS

Applications are now being received at the office of the game commission in Portland for the limited number of special tags to be issued for the taking of cow elk, doe deer and antelope in certain areas of the state.

There will be 2,000 cow elk tags issued at \$5 each for the open territory, exclusive of Wallowa county, in northeastern Oregon. Doe deer tags will be limited to 3,000 and will be good for a specified area in Grant and adjoining counties. Fee for the doe deer tags is \$3.50. Practically the same portion of Lake, Malheur and Harney counties will be open again for antelope hunting and 1,500 tags at \$3.50 each will be issued.

Individuals wishing to apply for any of these tags should forward to the game commission office the proper fee together with information as to the number and kind of hunting license held. If by August 1, the applications exceed the quota of tags, a drawing will be held on that date to determine to whom tags shall be issued. Otherwise, applications will then be taken care of in the order they are received.

Joe Palooka and his gang are coming to Medford next Sunday to appear in Sunday's Mail Tribune. Don't miss getting acquainted with them.
