

COUNTY NUTRITION COUNCIL CALLED TO MEET EXPERT

The Jackson county council on Nutrition for Defense met last evening in the office of the home demonstration agent, called by Miss Marian Farrell, chairman of the nutrition council, in order that the council members could discuss the nutrition program with Miss Rae Russell, nutritionist with the Federal Security agency.

Miss Russell has visited 18 of the counties in Oregon and a number of California to investigate the county nutrition programs. From her experiences elsewhere, Miss Russell made many valuable suggestions as to means of improving our county program.

Miss Russell was much impressed by the fact that of the 49 rural schools in Jackson county, 32 have a school lunch program. It is the desire of the school lunch committee to offer assistance to the local schools in improving lunch programs already operating, and to promote establishment of new school lunch rooms.

Miss Russell also met with representatives of the Red Cross at the home of Mrs. Harry Holmes.

Miss Russell left Medford this morning for Grants Pass to meet with the Josephine county nutrition council and then will return to her headquarters in San Francisco.

SCHOOL BUDGET HEARING JULY 24

A public hearing on the budget for the public schools of Medford will be held Friday, July 24 at 8 p. m. in the city school superintendent's office in the city hall. E. H. Hedrick, city school superintendent, said today that only a minor increase is noted in the budget.

Estimated expenditures for all purposes for the coming year total \$301,970 as compared to \$297,479 for last year's budget. Receipts from state, county and federal sources and cash on hand total \$133,186.26, leaving a total of \$168,783.74 to be raised by taxes. This, Mr. Hedrick stated, is \$4,491 more than the amount raised last year, but because of additional receipts on hand the levy will be the same.

Up to June 1, the United States had shipped 1,500,000 pounds of dehydrated vegetables under lease-lend.
