

REVISION HOPES REST IN SENATE

Washington, July 18.—(AP)—Apparently convinced the house would make no major changes in the biggest tax bill in the nation's history, administration leaders today centered their revision hopes in the senate.

As the house began the final day of debate before voting on the \$6,144,000,000 measure Monday, Chairman George (D-Ga.) of the senate finance committee indicated the senate contemplated major changes when he forecast a vote in that chamber would not be taken before late August or early September.

Just what changes George and administration leaders had in mind they would not disclose, but after a White House conference with President Roosevelt and Treasury Secretary Morgenthau, the Georgian said certain inequities in the bill should be corrected to bring the total expected yield up to the treasury goal of \$8,700,000,000.

FRENCH DEFIANT OF NAZIS, LAVAL

Washington, July 18.—(AP)—Private advice to Free French headquarters here told today how people in the principal cities of occupied and unoccupied France defied authorities with demonstrations against the Laval government and Germany on Bastille Day, traditional French holiday.

Small cards posted surreptitiously throughout Lyons, important manufacturing center of unoccupied France, called loyal Frenchmen to a Bastille Day meeting to "affirm this year will to resist France of enemies and traitors."

In Chambery, between Marseilles and Lyons, crowds demonstrated all day. In Marseilles approximately 100,000 persons filled the main thoroughfare and marched to the town hall shouting: "Death to Laval, hang Laval, France for the French."

INJURED ROBBERS OVERLOOK \$8,000

Charleston, W. Va., July 18.—(AP)—Employees of a bottling plant found their office blood-spattered and the door blown off the office safe when they came to work today, but only \$25 was missing.

The thieves, who apparently were injured when the explosive went off prematurely, overlooked \$8,000 in another drawer of the safe.

MORE SUGAR DUE NORTHWEST AREA

Tacoma, July 18.—(AP)—Recognition of the growth in population of various defense swollen areas in the nation, and particularly in the Pacific northwest, will be given by the federal sugar rationing authorities in an amendment to be published in two weeks, Senator Homer T. Bone reported today.

In a letter from the national capitol to the Tacoma Chamber of Commerce replying to a request that consideration be given of the population jump in future rationing of sugar to manufacturers, Senator Bone said Howard J. Westing, head of the OPA sugar division will announce in about two weeks the amendment allowing sugar to defense areas on the basis of population change.

NAB MORE NAZIS AS ENEMY ALIENS

New York, July 18.—(AP)—The arrest of 14 enemy aliens, one a German who declared "only fools become American citizens," was announced today by the Federal Bureau of Investigation.

The FBI said 13 were Germans and the other an Italian editorial writer of an unnamed Italian language newspaper in New York. All were taken to Ellis Island for hearings before the enemy alien boards.

P. E. Foxworth, assistant director of the FBI, said one was a foreman in a war production plant machine shop while others included candy-store keepers, watch manufacturers, waiters and a boarding house operator.

INDIGENT WOULD GIVE GOLD AWAY

Flint, Mich., July 18.—(AP)—Charles Nelson, 80-year-old welfare client who is bedfast with a fractured leg, was disclosed today as heir to \$63,000 from the estate of his brother, but he said he would "give it away."

Nelson, who has been in the Genesee county hospital nearly two years suffering from the feeble and infirmities of age, declined to go into detail about his plans to dispose of the inheritance. A former factory worker, he apparently has no close relatives.

Annual beet sugar production in the United States has risen from 850,000 tons in 1917 to 1,890,000 tons in 1940.

WOOD'S RYDER CUP TAKE HEAVY LEAD OVER HAGEN CREW

Sweep First Day's Play in Red Cross Series—Hogan Stars.

Detroit, July 18.—(AP)—Craig Wood's Ryder cup dream team established history in the war-orphaned international golf series today by blanketing Walter Hagen's challengers in five best ball matches to seize a practically insurmountable margin in the Red Cross promotion that ends with 10 singles matches tomorrow.

No team in eight previous matches had swept the first day's play, and to grasp victory from almost certain defeat Hagen's squad would have to win eight matches tomorrow, a hopeless proposition against Blazin' Ben Hogan, Byron Nelson and other ranking cup stars.

Hogan, Mr. Moneybags of the tournament circuit, was nearly the whole show today for the 5,000 galleryites who chipped in the first half of an estimated \$25,000 charity nestegg. Little Ben clustered nine birdies while coming with Jimmy Demeret to win Lawson Little and Light Horse Harry Cooper, 11 and 10. The previous high was a 10 and 9 victory Hagen and Denny Shute compiled over George Duncan and Arthur Havers of Great Britain at Columbus, Ohio, in 1933.

For the 26 holes the torrid ex-Texans were 11 under par over 6,957-yard Oakland Hills scene of the 1924 and 1937 national open championships. Lord Byron Nelson likewise was red hot under the broiling sun, firing six birdies as he paired with substitute Ed Dudley, Sam Sneads replacement, to trim Henry Picard and Sam Byrd, 6 and 5.

Nelson drew Woods top assignment for tomorrow's singles, facing Little who moved up to the challenge squad captaincy when Hagen was called to Rochester, N. Y., where his father, William, 83, died today.

YANKEES SUBDUED WHITE SOX WHEN ROLFE GETS HIT

New York, July 18.—(AP)—Robert (Red) Rolfe, whose return to action had highlighted the New York Yankees' latest winning streak, broke up a battle of home runs today by smashing the ball into the right field seats with two out in the tenth inning to trip the Chicago White Sox, 7-6.

It was Rolfe's fourth homer in six days and it gave the world champions their seventh straight triumph and their 38th success in 49 home games. With the second place Boston Red Sox kept idle by the weather, the Yankees stretched their American league lead to eight games.

The Yanks had a 6-1 lead at the end of eight innings but the White Sox suddenly broke loose in the top half of the ninth against Marv Breuer, who had pitched three-hit shutout ball for six frames and had given up only one run on Luke Appling's homer in the seventh.

Joe DiMaggio belted his 13th four-bagger of the season, which boosted his batting streak to 15 consecutive games.

Charlie Keller pumped his 11th home run into the White Sox bullpen.

Schroeder, Segura Reach Final Round

New York, July 18.—(AP)—Ted Schroeder and Francisco Segura advanced to the final round of the Eastern clay court tennis tournament today, but both had to stay after school to do it.

Schroeder, the nation's fifth-ranking player from Glendale, Calif., downed Alejo Russell of Argentina, 7-5, 4-6, 6-3, 6-4 while Segura, the tireless little Ecuadorian had to go four sets before defeating George Richards of Los Angeles, 6-3, 6-4, 3-6, 6-2.

HOLLYWOOD ENDS BEAVER'S STREAK, ANGELS ON TOP

Portland, July 18.—(AP)—Hollywood snapped Portland's string of victories that had extended to eight in a row today with a 8-6 win that kept the Beavers in the Pacific Coast league baseball cellar.

Joe Hoover, first man up for the Stars in the initial inning, slapped out a homer on a three-nothing ball offered up by submariner Ad Liska. Four more Hollywood runs in the fourth and another in the top half of the eighth gave the Stars a 6-1 lead over Portland.

But an eighth-inning Beaver rally, paced by John Gill's circuit clout with two on, knotted the count for the final inning.

Liska gave way to Stine and Stine to Fitzke in the ninth but Hollywood tallied twice for the victory that kept it from dropping into Portland's long-held cellar spot.

Hollywood..... 8 12 1
Portland..... 6 7 1
Root, Thomas (9), and Brenzel; Liska, Stone (9) Fitzke (9), and Mayer.

Los Angeles, July 18.—(AP)—Clinging to the newly-won Coast League leadership, Los Angeles made it two-in-a-row over San Diego today with a 7-3 win that was as uneventful as last night's battle was spectacular.

Registering their tenth straight triumph, the Angels found the mound offerings of Al Olsen and Ed Vitalich to their liking and pounded them for 11 safeties.

A three-run blast in the third, with another lone tally in the fourth and two more in the fifth settled the issue and Lanky Ken Raffensberger coasted on to his 11th win of the season.

Just to top things off, Raffensberger and "Mad Will" Schuter Angel shortstop, hit home runs.

San Diego..... 3 8 1
Los Angeles..... 7 11 0
Olsen, Vitalich and Detire; Raffensberger and Todd.

SOCKEY BATTLES MIHALIKIS AGAIN IN ARMORY FEUD

Sockeye Jack McDonald and Prince Selaki Mihalikis clash for the third time in the main event of Monday night's armory wrestling program, and the brawl is expected to be even more hair-raising than either of their first two battles, both of which left the customers limp and exhausted.

With the victor earning the right to face "The Angel," grotesque French mat freak on the July 27 card, tomorrow night's top spot principals are planning to uncork their most savage brand of grappling.

In the first match of their really bitter feud, Mihalikis captured the verdict when he tossed McDonald out of the ring and rendered him incapable of further resistance. In their second meeting McDonald evened the score by virtue of some of the most brutal punching ever seen in the local ring.

This match resembled a boxing bout far more than it did a mat contest.

Meeting in the middle event will be Pedro Brazil and Pete Belcastro, the Weed villain, while opening the card will be Soldier Joe Buccola and Irish Jim Casey.

JOE GORDON OUT WITH LEG INJURY

New York, July 18.—(AP)—Joe Gordon, the New York Yankees flashy second baseman who had to retire from Thursday's game with the Cleveland Indians because of a strained muscle in his left leg suffered the day before, probably will remain out of the line-up for several days.

Chicago, July 18.—(AP)—Occupation, a fastbreaking strong finishing colt owned by John March, Chicago contractor, won the \$62,900 Arlington futurity impressively today in the fastest time this stake ever has been run—1:10 2-5.

Pickett, entry of John Hay Whitney of New York, was second, four lengths ahead of the Joseph E. Widener's Glance About. Warren Wright's Garless was fourth.

The triumphant Occupation, scoring his fourth victory in six starts, all in Chicago, blasted the former six furlong record for the event of 1:11 1-5. Three horses—Ladysman, Far Star and Case Ace—had shared the old mark.

A sweltering crowd of 30,000 installed Occupation as a 2 to 1 choice and he returned \$6.00, \$3.80 and \$3.00. The place price on Pickett was \$5.00 and 4.20, while Glance About, closing at 45 to 1, returned 13.80 to show.
