TOWNSENDITES IN PHOENIX MEETING

(Contributed)
Phoenix Townsend club under the affable and capable management of its president, C. M. Medcalf, pulled off a very interesting and enjoyable meeting last Tuesday evening the 21st. Visiting members from Medford Townsend clubs helped to swell the joy and confusion. The "surprise" of the evening was a "much to the point" address given by Ed Kelly from Medford. This is to be the beginning of a series of many more "get together" meetings of the different clubs during the summer and fall. Further well directed remarks were made by Ed Coffey, president of Medford Club No. 1. The meeting concluded with singing and everyone went home happy and looking forward to the next get-together.
