'ANGEL' BILLED TO  
BATTLE SOCKEYE  
IN ARMORY BOUT

Wrestling Greatest Drawing  
Card Here Tomorrow  
Night—Big Crowd Due.

Maurice 'The Angel' Tillet, gargantuan French grappler recognized as the greatest drawing card in American mat circles, will make his initial appearance in southern Oregon Monday night, clashing with Sockeye Jack McDonald in the main event of Promoter Mack Lillard's weekly armory program.

Although there will be no increase in admission prices for this super-colossal wrestling engagement, Lillard announced that the entire lower floor would be reserved, with general admission customers occupying the balcony seats. An overflow crowd is expected to attend, and Lillard advised fans desiring reserved seats to obtain them immediately.

From top to bottom the program is one of the strongest ever offered local fans. Pete Belcastro, the Weed wildman, will tangle with big Joe Corbett of Australia via Boston, in the six-round middle event, while Irish Jim Casey will face Pedro Brazil, South American heavyweight champ, in the four-round opener starting at 8:30 sharp.

McDonald, who earned the right to meet 'The Angel' by disposing of Prince Selaki Mikalik on last Monday night's card, will be outweighed by more than 50 pounds, but despite this handicap he is completely confident of defeating the 266-pound monstrosity, often referred to as "the ugliest wrestler in the world."

Sockeye won't be facing Tillet for the first time tomorrow night. Back in 1940, before a tremendous crowd packing the Minneapolis, Minn., auditorium, McDonald took on the giant 'Angel' in a grueling battle that went 20 minutes and 17 seconds before McDonald was clutched in Tillet's famous bear hug and pinned for the fane fall of the match.

This time, McDonald plans to stay away from that bear hug if humanly possible to do so. He plans to pump rights and lefts into the Tillet anatomy and head, keeping the giant off balance, and keep blasting until Mr. 'Angel' goes down for keeps.

MENDENHALL WINS  
CLASS A HONORS

Salem, July 25.—(P)—S. G. Mendenhall, Grants Pass, shattered 198 targets, 120 of them in succession, Friday to win the class A championship of the Grand Pacific International Trapshoot association tournament.

Class B was topped by Ted Welty, Salem, with 195 of 200 targets; class C by M. E. Cornett, Klamath Falls, and Del Critter, Canby, tied at 187; and class D by C. B. Jones, Gervais, 183.

Cornett lost out in the high-gun handicap to Gus Dodele, Albany. Dodele broke 49 of 50 targets to Cornett's 48.

Robert R. Myers, 434 Haven street, will leave tomorrow to take up duties as aircraft communicator at a post in this region. Mr. Myers, who has been employed for the past five and a half years at Hubbard Brothers Hardware store, has been studying for some time to qualify for the position and has just received word from the Department of Commerce, Civil Aeronautics Administration, of his appointment.

Mrs. Myers and their small son, Kenneth, will remain in Medford for the present.

## What a Profile, "Angel"!

Above is the fantastic side view of the face of Maurice 'The Angel' Tillet, the gigantic Frenchman who will wrestle Sockeye Jack McDonald in the main event of Monday night's armory program. 'The Angel' is one of the greatest and the most colorful wrestlers in the industry at the present time.

BUD WARD DOWNS  
WEHRLE FOR ALL  
AMERICAN TITLE

Chicago, July 25.—(P)—Marvin (Bud) Ward won Tam O'Shanter all-American amateur championship today with a 7 and 6 victory over Wilford Wehrle of Racine, Wis., and Byron Nelson took a commanding lead in the Tam open by coming in with a 34-31-65 for a three-day total of 203, 13 under par.

Nelson's great round included a spectacular string of three holes on which he went five under par with a birdie, an eagle and a hole in one.

On the 18th green, the Toledo pro stuck his second shot five feet from the pin and needed the putt for a 64 and a new course record which would pay him \$500 for making. But the putt broke an inch off line and he took a par.

His par-shattering three holes were the ninth, which he birdied with a 4; the 475-yard 10th, where he placed a three iron second shot eight feet from the cup and rammed in the putt for a 3; and the 135-yard 11th, where his six iron tee shot lit 20 feet in front of the pin and trickled up into the cup.

In the final bout of the six-day amateur competition, Wehrle, after playing the outgoing nine of the morning round even with Ward, the Spokane, Wash., army corporal, succumbed rapidly from there on.

Ward was four up on his Wisconsin rival after 18 holes and boosted it to 7 up after 27. The match ended on the 30th after they had halved the last three holes.

The 1941 national champion was in great form with a 33-35-68 for his morning whack at the course and with a 34 for the first nine holes this afternoon. He was a stroke under par for the three holes of the back nine in the afternoon and over 30 holes was seven under par.

CRATERS TO PLAY  
CAVEMEN TODAY

The Medford Craters and the Grants Pass Merchants will meet at Grants Pass this afternoon in the second game of their two-game Oregon-California league baseball series, the clash starting at 2:30 sharp. First tilt in the set was played here last night.

Manager Dutch Lieber plans to do the pitching for the locals if his arm feels right by game time. If not, the boss will probably send Lefty Al Wimer to the mound. Wimer already holds a decision over the Merchants.

In other loop action, Klamath Falls and Dorris will play at Dorris in the second fray of their series.

Brooklyn, July 25.—(P)—Two streaks were ended today as the Pittsburgh Pirates defeated the Brooklyn Dodgers, 4-1, for their first triumph in five outings and the first Dodger setback in an equal number of starts.

Hank Gornicki, Pirate right-hander, outpitched and outlasted Curt Davis of the Dodgers to notch his first triumph of the season. He yielded only six hits and held the Dodgers scoreless after the first frame, when Pete Reiser celebrated his return to the lineup by singling home the lone tally after Arky Vaughan singled and went to second on a passed ball.

CLARK GABLE IS  
VALLEY VISITOR

A visitor "somewhere in southern Oregon" is Clark Gable who arrived in Medford Friday by United Mainliner. Louise Kilgore, employee at the United States weather bureau at the Medford municipal airport, recognized the popular motion picture actor and was fortunate in securing his autograph as he alighted from the plane.

Gable is believed to have flown here for his favorite sport, fishing. He has been a frequent visitor at good fishing spots on the Rogue. Gable questioned the weather bureau employee on the weather and she remarked today that "Gable has beautiful dimples."

Art Croshaw, another weather bureau employee, who furnished the pen for the autograph, laughingly said yesterday that he would auction the pen to the highest bidder.

SHUT OUT GRABS  
3 YRS. OLD TITLE;  
VALDINA SECOND

Chicago, July 25.—(P)—Shut Out clinched the 3-year-old championship of the year today by galloping to victory in the \$88,250 Arlington classic under one of the most magnificent rides ever delivered by Jockey Eddie Arcaro.

The handsome son of Equipoise, owned by Mrs. Payne Whitney of New York, won by three-quarters of a length to the cheers of 45,000 spectators. Valdina Orphan was second, four lengths ahead of With Regards. King's Abbey was fourth in a field of nine.

The winner ran the mile and a quarter in 2:01 2-5, equalling Omaha's record for the stake and was only one-fifth of a second off the track record established by Discovery in 1935.

Shut Out, closing at odds of 3 to 2, paid \$5.00, \$2.80 and \$2.40. The place price on Valdina Orphan, coupled with Rounders as an entry, was \$2.80 and \$2.40 to show. With Regards returned \$3.20 to show.

Shut Out, winner of the Kentucky derby, the Belmont stakes, the Blue Grass stakes and the Yankee handicap, had won \$148,747 in 11 starts this year and wrapped another \$69,700 around that bankroll as a result of today's triumph.

Trailing the first four across the finish line in the order named were the Milky Way farm's Dogpatch, Valdina farm's Rounder, Col. E. R. Bradley's Bless Me, Mrs. E. H. Augustus' Trelawny and Hal Price Headley's Anticlimax. The original field of 11 was reduced by the withdrawal of Aletern and Bolus.

Valdina Orphan's share of the purse was \$10,000 while With Regards earned \$5,000 and King's Abbey \$2,500.

FOR TYPEWRITERS

Washington, July 25.—(P)—Chairman Donald M. Nelson of the war production board today appealed to all Americans owning standard model typewriters, made since January 1, 1935, to sell them to the government.

Earlier this month, Nelson directed a similar appeal to 25,000 business firms and large users of typewriters. Responses still were coming in, he said, "but it is now apparent that we will also have to obtain many thousands of typewriters from private individuals."

More than 850,000 typewriters are desired by the army, navy and other governmental agencies.
