

VICTORY HOUSE IN TWO-DAY SHOWING STARTING TUESDAY

Main Street To Be Roped Off For Free Public Programs—Many Fine Acts.

A mobile glass "Victory House" will be in Medford Tuesday and Wednesday for one of the premier exhibitions and shows in the nation, it was announced by William A. Gates, chairman of the Jackson county war bond committee. Main street, between Front street and Central avenue, will be roped off for the two night shows which will be open to the general public. Local and professional talent will take part in the shows beginning at 8 p. m., with Henry Murtagh, famed Hollywood organist, one of the featured stars.

The unique bond and stamp "Victory House" is modeled after the famous bond center in Pershing square, Los Angeles.

On Northwest Tour
Victory House, a chromium, steel and glass truck and trailer, was presented to the treasury department by Standard of California, and delivery was taken on the unique vehicle this week. It consists of a truck with platform equipped with a Hammond Solo-Vox electric organ, and a glass victory house from which Standard Chevroletettes, two beautiful lassies, will sell war savings stamps.

Success of the Victory House feature in Pershing square, Los Angeles, led to demand for Victory Houses in other cities. In order to bring this feature to many cities, it was decided to place a Victory House on wheels and to start it on its tour in the northwest.

Ray Conway, Oregon war savings administrator, wanted the Victory House to make its first showing in Oregon. It was delivered in California and so a southern Oregon town was chosen. Klamath Falls got the first call. The "Victory House" is in Ashland today and will show here Tuesday and Wednesday after a day's vacation.

As a result of being one of the first cities in the nation for the display of the mobile "Victory House," moving and still pictures will be made of the showing here and it will be widely publicized. An unusually high sale of bonds and stamps is to be sought, and that will add to the publicity value for this community of the Victory House visit.

Open At 8:15 P. M.

The program, with E. C. "Jerry" Jerome and Leonard Mayfield as masters of ceremonies, will open at 8:15 p. m. with a Russian dance presented by the U. S. O. under the direction of Mrs. Penny Fontaine. Patriotic songs by vocalists, and selections by the Medford high school band, numbers by the popular negro quintette from Camp White and accordion selections by the Roguettes will be on the program planned by Program Chairman Jack Matlock.

A unique stunt in which Medford firemen will participate with towering ladders will be another program feature. Included in the other acts will be one by "Uncle Wiggie," Matlack said. Alexander's Hawaiians will also provide musical entertainment.

An entirely different show will be featured the second evening of the "Victory House" here, according to Jackson county war bond staff officials. The public has been invited to attend each evening.

Thief Gets \$169 In Top Notch Cafe Call

Theft of \$169 in cash from the Top Notch cafe, 12 S. Central, Tuesday night was revealed by city police Saturday. The thief was discovered early Wednesday morning and reported but due to the police working on a clue which they feared publicity might "tip-off," word of the burglary was not given out.

PROSPECT WOMEN COMPLETE CLASS AS CANTEN AIDES

Eleven homemakers at Prospect have completed the first Red Cross Canteen Aides course to be offered in Jackson county. Instructors for the ten hour course were Miss Marian Farrell, home demonstration agent and Mrs. Virginia Wait, junior high school home economics instructor.

At the final session Friday, the class served a demonstration emergency dinner to forty-five residents of Prospect and Red Cross workers from Medford. The demonstration consisted of a complete well balanced meal, prepared and served in two hours. To receive practice under emergency conditions the group set up the service center and tables on the school grounds, giving them experience in assembling makeshift table arrangements and transportation of food from the kitchen to the service center.

Mrs. Ruth Hertager is captain of the Prospect Canteen Corps and will have available two units to serve in any emergency, when feeding of large groups will be necessary.

Eight of the eleven women have already completed full requirements for canteen aides. They are: Mrs. Ruth Hertager, Mrs. Elva Edler, Mrs. Nadine Flynn, Mrs. Estes Merriman, Mrs. Frances Pearson, Mrs. Hatie Salter, Mrs. Barbara Turman and Mrs. Helen Sherman. Mrs. Mary Algeo, Mrs. Ella Middlebush and Mrs. Mary Zundel will qualify for cards on completion of service hours.

Each canteen aide will give at least eighteen hours of service to her corps within the year, and the Prospect corps expects to aid in the promotion of the school lunch program, by assisting with canning and preserving food.

Seth Bullis, chairman of the Red Cross, Mrs. Harry Holmes, volunteer services chairman and Miss Helen Bullis were among the guests present.

Following his schooling here John Sprague attained a life scholarship in the Polytechnic College, of Oakland, Calif., from which he graduated as an honor student, obtaining his degree of civil engineer, which profession he has since followed.

Mrs. Sprague has a son in Oakland engaged in defense work, and a daughter, who now resides in San Mateo following her return from Honolulu just before the Japanese attack.

PLAN WHOLESALE FLAG PURCHASES FOR AUG. 15 FETE

The Jackson County Chamber of Commerce yesterday announced plans to purchase at wholesale American flags and red, white and blue streamers in behalf of Medford citizens, to be used in decorating business firms and homes for the reorganization celebration of the famous 91st Infantry Division August 15.

The 50-foot streamers will cost \$2.50 each, 2 by 3-inch flags \$1.25 and 3 by 5-inch flags \$2.45, and all persons desiring to order either streamers or flags are asked to place their orders at the chamber of commerce by Monday night. Flags will include metal brackets and staffs. It was emphasized the flags and streamers were made in America, and not in Japan.

Chamber officials urged that homes, as well as downtown business firms, be decorated on August 15 in honor of the reorganization of the 91st.
