

INDIAN CONGRESS WILL ASK F. R. TO SUPPORT DEMAND

Chiang Kai-Shek and Ivan
Maisy to Be Asked to
Back Independence Plea.

By Preston Grover
Bombay, Aug. 7—(P)—The
working committee of the All-
India Congress party voted to-
day to appeal to President
Roosevelt, Generalissimo Chi-
ang Kai-Shek and Ivan Maisky,
Russian ambassador to Britain,
to support its demands that
Great Britain grant India im-
mediate independence.

Maulana Abdul Kazan Azad,
president of the Congress, was
authorized to dispatch the ap-
peals as soon as the Congress
committee passes upon a resolu-
tion calling for a mass campaign
of passive resistance to continued
British rule.

Endorsement Seen
Endorsement of the resolu-
tion, backed by Mohandas K.
Gandhi, was regarded as a fore-
gone conclusion.

Azad opened the meeting with
a speech calling for immediate
Indian independence but saying
the committee did not want Brit-
ish or American armies to leave
India.

Gandhi, who followed him
and received an ovation, told
the committee he did not want
the Japanese in India because
that would mean the end of
China and perhaps Russia.

Gandhi himself sent a mes-
sage to the Chinese today to
"let China know that the strug-
gle is as much for her defense
as it is for India's liberation."

He declared that India's "abil-
ity to give effective assistance" is
dependent on her freedom.

Muslims Unconvinced
Meanwhile, having heard that
Azad had said Congress leaders
were even willing to let the
Moslem league take over the
running of India if the British
would get out, Mohammed Ali
Jinnah, president of the Moslem
league, declared that the Mos-
lems would be glad to do so but
that the congress leaders "don't
mean a word of what they say."

Jinnah, as a spokesman for
the second-largest of India's
complex religious and political
groups, said the congress leaders
"mean to play on the credulity
of the Moslems and attempt to
divide them. They simply are
trying to put the English into a
corner."

Insistence of the Moslem
league that Mohammedans be
safeguarded against Hindu dom-
ination has been one of the nu-
merous problems involved in
Britain's efforts to solve the
Indian question. The All-India
congress party on the other hand
has objected to proposals for
Mohammedan independence.

Jinnah says the Congress
party is a purely Hindu organi-
zation, and not, as it claims,
representative of all Indians.

KILLED BY BULL
Longview, Wash., Aug. 7—(P)—
Ernest Anderson, 46, died in a
local hospital last night of in-
juries suffered when he was at-
tacked by a young bull at his
farm home near here. Hospital
attendants said they were in-
formed Anderson was putting
his cattle into the barn when
the attack occurred.

Bataisk, known as "the town
across the river" from Rostov,
became important as a cross-
roads of rail lines.
