

"POWDER RIVER-LET 'ER BUCK"...

THAT'S THE STIRRING BATTLE
CRY OF JACKSON COUNTY'S OWN-

91st DIVISION

LET'S ALL BE MEMBERS OF THE 91st

What an honor indeed to be identified with this wonderful outfit of fighting men. Not actually combat members—most of us couldn't qualify—but we can so contribute to the strength of our division that in our hearts we will be a tangible part of the striking force of this famous division.

Here's How You May Become a Member

BUY YOUR AUGUST WAR BONDS BEFORE AUG. 15

On August 15, General Gerhardt will be presented with a scroll containing all the names of bond buyers who contribute in this way to buying the weapons for the 91st. Because of your support you will be welcomed as an Associate Member of the Division.

LET'S BUY THE WEAPONS FOR THE 91st WITH WAR BONDS

HOW MANY GUNS SHOULD OUR BONDS BUY?

At maturity value, we should buy enough bonds to provide the 91st Division with 6,250 of the new M-1 Garand rifles, 625 of the funny looking little "peeps" now darting about on Jackson county highways, or 77 hard-hitting 37-MM anti-tank guns

REASONS WHY YOU SHOULD Help to Arm the 91st

- 1—How much is it worth to you to have this fighting force in our county if Japan tries to make good her threat to invade the Northwest?
- 2—You are protecting your home and loved ones from this threat by buying all the bonds and stamps you can. Every dollar is twenty bullets.
- 3—Our manifestation of appreciation will serve as a great aid to the morale of the gallant young men who have to fight for us.
- 4—You can be a good soldier even if unable to join a combat force. Our soldiers in combat have to give their all even unto life itself in defense of us. To be a good civilian soldier we are asked to buy bonds that pay back \$4.00 for every \$3.00 we put in. It's surely easy to be a civilian soldier.
- 5—Jackson county is not waiting to "let George do it". For two months we've set the pace for per capita sales for the whole coast.
- 6—You will be an associate member of the 91st Division—our Division. Buy before August 15th.
