

# TOMORROW IS THE ANNIVERSARY OF PEARL HARBOR

Destruction of Hickam Field, Hawaii, December 7, 1941

*A Year Ago Tomorrow It Was THEIR Turn*  
**NOW It Is OUR Turn To Strike!**

**We'll Make the Most of it Too—But Don't Forget**

**IT WILL TAKE MEN, MATERIAL and YOUR MONEY**

Before we knock the Japanese to their knees, you and everyone of us are going to have to put at least 10% of our pay into War Bonds. Not somebody else, but you and me—NOW!

Because all-out war takes money. You can't buy Victory at the dime store. If you think so, take a look at what a 2,000-plane raid\* takes in men, money, and materials:

- Value of planes participating, \$600 million
- Cost of fuel consumed, \$11 million

\*Based on British raids on Cologne and Essen as given in INS news report.

- Cost of bombs dropped, \$12 million
- Total men involved on ground, 240,000
- Total men involved in air, 12,000
- Probable losses in airmen killed or captured, 400
- Probable losses in planes, 79

Total cost—*Everybody all-out for Victory and everybody putting at least 10% of pay every pay day into War Bonds!* Destroying the military heart of Japan is definitely worth it. Are you saving your 10%?
