

Jap Papers Renew Punishment Demand

London, Dec. 5—(U.P.)—The Japanese press, renewing its propaganda campaign against U. S. fliers, again has called for se-

vere punishment of captured American airmen, the Evening News said today.

Quoting a Shanghai report relayed by the Berlin radio, the newspaper said the Japanese press had described air raids

Nov. 25 on Hankow and other areas as "further proof of the inhuman method of waging war by the Anglo-American powers."

SHRAPNEL FINDER IS LATEST ARMY DEVICE

Chicago, Dec. 5—(U.P.)—Lieut. Col. Alfred A. De Lorimer of the Army Medical school, Washington, today exhibited at the

Radiological society convention a shrapnel-finding device which he said will save the lives of many soldiers.

Called a bi-plane marker, the device, De Lorimer said, locates foreign bodies such as shrapnel

within human bodies in about one-fourth the time required with devices used in the last war when discovery of such objects took approximately an hour.
