Reports last week from Italy by way of neutral Switzerland intimated that the closing was part of the Italian government's plan for evacuating children and others from cities subject to air raids.

JAPS MOVING UP FOR OFFENSIVE

Chungking, Dec. 15.—(U.P.)—Japanese army trucks carrying artillery and supplies are moving up the Burma road from Lashio to Lungling, probably in preparation for another offensive into China, a Chinese military spokesman said today.

Intelligence reports were that 30 artillery pieces had reached the Japanese advance base at Lungling and for 10 days the enemy has been concentrating foodstuffs at Tengchung. It was estimated that there were 30,000 Japanese troops in the Tengchung-Lungling sector and there were reports that two more divisions were being sent.

Chinese forces had frustrated temporarily an offensive from Tengchung. The Japanese, however, were believed making ready to cross the Salween river for a drive toward Paoshan.
