Many local residents, who are offering private rooms in their homes to soldiers' wives and relatives during the Christmas holidays have inquired at the chamber of commerce concerning necessity of registering their rooms with the Rent Control office.

Frank Hull, secretary of the chamber of commerce, stated today that "We have been advised by the area rent control office that it is not necessary for home owners to register a room they are now renting temporarily for the holiday season. REGISTRY OPENS
DEC. 18 FOR BOYS
ON 18-YEAR LIST

Registration for selective service of male youths who are 18 years of age and who were born between Sept. 1, 1924 and Oct. 31, 1924 will be made at the city hall from Dec. 18 through Dec. 24, board members stated today.

The board office is open daily from 9 a. m. until 5 p. m. and on Tuesdays will remain open from 9 a. m. until 7 p. m. The necessity of young men registering in this draft, if born during the above mentioned periods, was stressed by board members. Numerous registration places are open throughout the county.

Registration of youths during the past week has totaled only seven for board number one and only six for board number two. This was partially due, it was thought, to enlistments, youths attending colleges and being employed in defense industries and as a result registering out of Medford. A complete tally of registration for this period will be available in January, it was explained.

Sergeant Convicted
Aiding Draft Dodge

Los Angeles, Dec. 16.—(U.P.)—Sgt. George Comroe today awaited sentence on charges of accepting bribes to show draftees how to obtain deferments.

A jury convicted him after deliberating 10 minutes.

Testimony revealed Comroe

had taught prospective draftees to act like alcoholics and psychoneurotics.

He faces a maximum sentence of 20 years in prison and \$10,000 fine on each of four counts.

DON'T REREGISTER
IF YOU HAVE BOOK

Those who have war ration book number one, which is used for the purchase of both sugar and coffee, need not call at the local war price and rationing board in the city hall for registration at this time, it was emphasized today by board members.

The ration office employees pointed out that many people stand in line for considerable time under the impression that they must register at the office when they already have in their possession war ration book number one.

Board members also informed the public today that sugar stamp number 10 is good for three pounds of sugar and will expire Jan. 31, 1943. The coffee stamp, number 27, may be used for the purchase of one pound of coffee until Jan. 3.
