

VESPER SERVICE THIS AFTERNOON AT PRESBYTERIAN

Taking their inspiration from one of the great Presbyterian churches of the central west (the First Presbyterian church of Lincoln, Neb.), young people of the First Presbyterian church here are presenting to the public for the first time a traditional Christmas candlelight

vesper service this afternoon at 5:30. The church doors will be opened at 5 p. m. for those who wish to come early enough to insure good seats and enjoy the beauty of the candlelight church. An organ recital of Christmas melodies will be given by Mrs. Veri O. Failing, as a prelude to the vesper service. The church will be elaborately decorated with evergreen, and illuminated only with the soft glow of many candles. The reproduction of this beautiful service as well as the traditional decorations is the work of the young people of the church and constitutes their offering of good will by way of opening of the Christmas season.
