

VICTORY LOAN OVER: NEW TAX PLAN EYED

Washington, Dec. 21.—(U.P.)—The current Victory Loan campaign already is over the top, but treasury officials are con-

sidering raising their sights for new tax proposals to be presented to the new congress.

The treasury has not disclosed how much additional tax burden it will seek to impose next year, but Treasury General

Counsel Randolph Paul has said that an additional \$15,000,000,000 will have to be absorbed from the public either by taxation or forced savings.
